The meeting, which was presided over by Clerk W. L. Pollock, was poorly attended.

Nominations were as follows:

FOR REEVE — D. W. Rodgers.

Reeve Rodgers Gives Report

Reeve D. W. Rodgers, in his remarks, gave a summary of the year's work including that of County Council. He briefly referred to the financial statement for the past year.

In the affairs of County Council, Reeve Rodgers stated that the new bridge being erected over the dam would cost the County in the neighbourhood of \$60,000. There are 27 municipalities represented in the County and the Village of Stirling has the 9th largest assessment. He noted that various municipalities were not satisfied with the County road set-up as the villages were contributing much more than they received back in the way of improved roads.

Continuing with his report from the County, he noted that some of the major activities of that body during the year was the agreement for the addition at Belleville Hospital, detention centre at Napanee and that the farm at the County Home had been sold for \$110,000.

Turning to the affairs of the Village, he stated the extensions to the present sewerage system were being planned. He also noted that some \$17,000 had been spent on Village streets this past year. Reeve Rodgers told the gathering that during the past two years the mill rate in the Village had been reduced nine mills.

Discussing the education facilities in the Village, he remarked that changes would probably be taking place in education in the future. He intimated that the days of the Stirling High School could be numbered, due to changes being made by the Department of Education which was stressing larger units.

Reeve Rodgers said that explorations are taking place at the present time regarding the utilization of the present Public and High School buildings as a composite Public School Area, consisting of the Village, Rawdon and part of Sidney Townships.

Various Councillors Speak

Councillor Robt. Anderson spoke on streets and reported that several had recently been paved. A number were also chipped this past summer. \$2,000 had been spent on sidewalk reconstruction and that several other sidewalks in the Village would be repaired next year. He stated he would be willing to stay on Council for another term.

Robert Huln spoke on the Village parks, Police and Fire Departments. He remarked that the parks were in excellent shape this summer and that the grass had been cut by the town men. He also paid tribute to the Horticultural Society in their efforts to beautify the Village. The Fire Department is very active under the guidance of Fire Chief Graham Mowck. He also pointed out that Council was well satisfied with the work of Police Chief C. E. Hicks. In closing, he stated that he would be willing to serve for another term. Bruce Glendinning spoke on the

former minister at St. Paul's and Carmel United Churches. The Rev. Lavery, using as his theme "Time", disclosed many aspects of this commodity of which we all have the same amount, but of which we are always short. He stressed the vital importance of allotting sufficient time to one's children as they are growing up, regardless of the importance of one's work, or the struggle to get ahead and provide the comforts of our time to one's family. He stated that all too often the time is found to spend with a son when the son has outgrown the need of the father's companionship. All must reassess their day and make sure that our time is wisely given to the things of importance in life, and that it is divided in such a way that we have time to give our church, our community, to social work and fraternal organizations, besides our families.

A standing ovation was given the speaker, who was thanked by Bro. Fred Beckett. A piano selection was given by Miss Cheryl Utman and the remaining part of the evening was spent in dancing.

MR. AND MRS. RICHARD OMAR DRACUP DRACUP -- SUTHERLAND

Mr. Robert L. McLaren, of Guelph, officiated in Grace Chapel, Stirling, on Saturday, November 20th, 1965, at high noon, when Lois Anne Sutherland, daughter of Mr. and Mrs. George W. Sutherland, of Stirling, R.R. 2, was united in marriage to Richard Omar Dracup, son of Mr. and Mrs. Omar Dracup, Harold R.R. 2.

Baskets of large bronze and yellow 'mums graced the altar. The guest pews were designated by white satin bows.

The wedding music was played by Mrs. Craig Watson, Harold R.R. 2, who accompanied the bridegroom's sister, Miss Mary Dracup, in two appropriate selections, "I'll Walk Beside You," before the ceremony and "Happy the Home When God is There" during the signing of the register.

Given in marriage by her father, the bride wore a floor length gown of silk faille featuring a scooped neckline and long lily-point lace sleeves. The skirt was enhanced with a nylon lace train bordered with silk faille. A four-tier scalloped shoulder length veil of silk tulle flowed from a crown of sequins and pearls. She carried a cascade bouquet of red roses mingled with stephanotis.

Mrs. Jean McKay, of Kingston, sister of the bride, as matron of honour, and the bridesmaids, Miss Bonna Dracup, of Kingston, sister of the groom, and Miss Norma Hoard, Belleville, were dressed alike in street-length dresses of turquoise nylon over taffeta highlighted with lace jackets. They wore matching head-

pieces and shoes and carried nosegays of yellow and white 'mums. The little flower girl was Miss Margie Matthews, niece of the bridegroom, who wore a short white nylon dress with full skirt and puffed sleeves. Her headpiece was similar to the other attendants and she carried a tiny nosegay of yellow and bronze 'mums.

Master Gordon Matthews, nephew of the bridegroom, was ring-bearer, dressed in white pants and black jacket, with white bow tie and boutonniere.

Mr. Gerald Malloy, of Stirling, attended the bridegroom and Mr. Ken Matthews, of Baltimore, Ont., and Mr. Fred Sutherland, brother of the bride, were the ushers.

A reception was held in the I.O.O.F. Hall at Stirling where the bride's mother welcomed the guests wearing an aqua and gold brocade dress with slim skirt and matching jacket, dark brown accessories and a corsage of bronze and yellow 'mums.

The bridegroom's mother assisted and was dressed in a medium blue silk crepe dress with slim skirt, matching accessories and a corsage of bronze and yellow 'mums.

For the wedding trip to Fair View Village, Pennsylvania and other points in the United States, the bride chose a navy suit of fine wool, with matching velvet hat and gloves, red shoes and bag and a corsage of red carnations.

Out-of-town guests were present from Ottawa, Ajax, Belleville, Oshawa, Bonarlaw, Kingston, Harold, Baltimore, Toronto, Tweed, Hoard's Station and Campbellford.

Christmas Party Mount Pleasant Messengers

On Saturday evening, November 20th, the Christmas Party of Mount Pleasant-Rawdon Messengers was held at the Church Hall under the direction of Mrs. Raymond McConnell and Mrs. David Potts.

Twenty women and thirty-six children were in attendance and this will

be the last meeting of 1965.

The programme opened with the singing of Christmas Carols and Janet Scott was pianist. Lorraine Jeffs welcomed the ladies and Mrs. Grant Hubble read "The Christmas Story."

Randy Scott gave a harmonica solo. Vocal selections were rendered by Kathy Sharpe, Isobel Hoard, Jill McAdam and Margaret Hoard. A recitation was given by Linda Hoard and accordion music by Kenneth Couch. A vocal trio was contributed by Debbie Graff, Jeannette Hoard and

Bennie Williams, with the latter as accompanist.

Selections were read by Carolyn Merrick, Gordon Hoard and Kenneth Sharp. Piano solos were contributed by Terry Bailey and Janet Scott. A vocal trio was given by Joan, Joyce and Lorraine Jeffs with the latter as accompanist.

Other accompanists were Jeannette Hoard and Linda Potts.

Mrs. David Potts conducted several games and the group received treats for their efforts.

The study chapters were completed at the November meeting and it was suggested that an outdoor mat, fashioned from bottle tops, be made as outlined in the book. Margaret Hoard was the only child that completed the project and the mat was displayed after which she received a special treat.

Mrs. R. McConnell voiced thanks to all the boys and girls for their lovely programme.

Christmas Baskets

The group then packed 30 Christmas baskets for the Fred Victor Mission in Toronto. Each basket contained a Christmas stocking filled with confectionery.

Each child who has been attending Messengers during the year was given a monogrammed lead pencil, pop corn, large candy cane and other confectionery.

A special Christmas lunch was served and the group enjoyed a social half hour.

Can. Vocational Training Plans Homemaker Course

A recent survey in this area indicated that there is a growing need for homemaker service.

Homemakers are a skilled group of people capable of entering a home which is in need of outside help during an emergency and rendering what ever aid the situation indicates.

The information absorbed during the four month training period will cover the following areas among others: Guides to Healthful Living; Accident Prevention in the Home; Community Resources for the Family in Health and Illness; Family Life in Relation to Food; Care of the Home; Understanding Children; Understanding the Elderly; the Sick Patient; the Baby; Understanding Mental Health.

Along with classroom lectures there will be practical application in field work based on lessons taught.

Candidates for this course are

carefully selected in the light of the responsible work they will eventually perform in their communities. Mature women over 35 years of age who have a liking for people and who like to work with people and who can find time to pursue the course should apply to their local National Employment Service Office, Belleville, for further information and possible registration.

Classes will start early in January and run from 5:15 p.m. to 11:15 p.m. each evening. A training pay allowance is also in effect for those who can qualify.

OF MANY THINGS

HOW TO LOSE A DEBATE

A few weeks ago I wrote a column with which a reader violently disagreed.

Fine, this is a free country.

However, this reader, before dealing with the argument itself, started his letter by demanding to know who I am, where I earn my pay, and so forth. The implication was that because my ideas are different from his, I must be some kind of a subversive, a tool of Communists or capitalists, a low fellow indeed. It was clear that if he had the power to do so, he would drag me before some kind of inquisition and lay bare the secrets of my life, if any. His attack had all the earmarks of the technique made famous by McCarthy, the U.S. senator. Only after he had made this effort to imply that I am a no-goodnik did he try to deal with the argument I had presented.

When he got around to the argument itself, he proved to be a little more effective. But if I am any judge of human nature, he had lost his case before he got to the meat of the debate. I am quite confident that most intelligent readers had already written him off because of the vitriolic nature of his opening blast. Then, when his argument showed weak spots, they would at once see that had he been on surer ground, he would not have needed to put such faith in the personal attack.

Now it is altogether likely that the reader who blasted me is a good fellow at heart. I am not interested in knowing his residence, the size of his bank account, or the colour of his

eyes, his religion, or how he parts his hair. I am interested in his logic or lack of it relating to the matter debated, for there is a principle involved. He might prove me to be the worst kind of blackguard imaginable, but if in this instance I am espousing a right principle, the fact that I am a Conservative, Liberal, NDP or Hottentot wouldn't change that fact. And if I erred in principle, then I'd still be wrong even if gold-plated haloes circled my brow!

Dairy Production In Ontario

Creameries in Ontario reported their make of creamery butter during the month of July, 1965, at 11,800,100 pounds as against 11,330,200 pounds in the same month a year ago, representing an increase of 4.1 per cent. Cheddar cheese production also showed a gain amounting to 10,507,300 pounds as against 10,062,300, up 4.4 per cent.

The wholesale price of creamery butter at Toronto averaged 55 cents per pound during August, exactly the same figure as during the preceding three months, but 3 cents higher than in August, 1964.

In the case of new cheddar cheese the wholesale price at the Belleville Exchange averaged 41.5 cents per pound during July, as compared with 40.3 cents a month earlier and 37.3 cents during July last year.

A comparison of cold storage holdings of dairy products in Canada, at August 1, 1965 with stocks at August 1, 1964 indicates creamery butter declined from 130,875,000 pounds to 92,709,000 butter oil from 3,929,000 pounds to 731,000 pounds; evaporated whole milk from 55,305,000 pounds to 50,542,000 pounds; and whole milk powder from 4,581,000 pounds to 3,650,000. Increases were shown for skim milk powder, spray process, which rose from 31,067,000 pounds to 33,439,000 skim milk powder from 4,498,000 pounds to 5,958,000 casein from 2,435,000 pounds to 4,540,000; whey powder from 1,972,000 pounds to 5,201,000 and cheddar cheese from 62,212,000 to 65,079,000 pounds.

Students and Teachers Attend Play In Peterborough

(by Jane Clements and Suzanne Bailey)

On Saturday evening, November 20th, a predominantly teenage audience in the auditorium of the Peterborough Collegiate and Vocational School was captivated by the production of T.S. Eliot's "Murder in the Cathedral", by the Senior Dramatic

Club of that school. In this audience, there were thirty-nine grade twelve and thirteen students, along with Mr. W. Camm and Mr. R. Hayes, of Stirling-Rawdon District High School. Earlier in the evening, they had journeyed to Peterborough by Franklin Coach Lines to be present at the 8.15 performance.

As a prologue to the play, two students very capably read several of Eliot's poems. A brief history of Eliot's growing faith related the play we were about to see to modern life. This created a suitable atmosphere for the actual beginning.

As the curtains opened, a stage set to represent the Archbishop's Hall was seen. From the side aisles, in a style reminiscent of the entrances of actors in the Stratford Festival Theatre, came the Women of Canterbury. Theirs was one of the most difficult parts in the play. The dramatic effect of seventeen girls speaking in unison was not lost on the youthful audience. Yet for those who did not enjoy the verse in which this play was written, there were the well constructed settings, especially that of the Cathedral, to marvel at.

All of the props were prepared and painted in the school. The girls' costumes were sewn in the Home Economics room. The elaborate costumes of the Archbishop, the priests, the tempters, and the knights were by Mallabar. One of the most striking features of the staging was the dramatic lighting effects used to emphasize the atmosphere of certain scenes. Music too added to the mood. Under the direction of Miss Fern Rahmel, the annual productions of the Dramatic Club of P.C.V.S. are earning well-deserved reputes.

Before the return to Stirling, lunch was enjoyed at the Reim Club. The many comments of the students suggested that it was an evening well spent.

Bank of Montreal Record of Earnings

Loans of well over \$3 billion and an assets figure nudging \$5 billion are highlights of the Bank of Montreal's 148th annual statement for the year ended October 31st. The figures were announced today by Leslie Rawlings, manager of the Stirling branch.

He said loans totalled \$3,168 million, while assets stood at \$4,997 mil-

lion. And, the bank reached new peaks in deposits and earnings, he reported.

Total deposits reached a new high of \$4,605 million, including Canadian personal savings of \$2,167 million. These savings show an increase of \$137 million over the 1964 figure.

The total loan figure of \$3,168 million includes an increase of \$456 million in the key category "commercial and other loans."

Record Earnings

The bank's net earnings, on operations of more than 970 offices in Canada and abroad, also set a new record at \$18,730,353, the manager reported. The earnings figure is an increase of \$875,470 from 1964. Provision for taxes is \$19,410,311.

The bank's 24,000 shareholders are receiving dividends of \$2.271 per share, or a total of \$13,820,625. This is 73 cents a share more than in 1964.

The manager said that "quick" assets amounted to \$1,859 million, reflecting a strong liquid position.

THE BIBLE TODAY

"I think the renewal of the church will come when both clergy and laity become immersed in the Bible, become people deeply steeped in the Word of God," said Mr. Wm. Strug-fellow of New York City, speaking to the Lutheran Human Relations Association's annual institute.

"It wasn't a Sunday School or anything like that," volunteered Mr. Stringfellow, when asked to explain what led him to unpack his law books and live in East Harlem, on the block designated as the "worst" in the city. "When I was older," he explained, "I just started reading the New Testament seriously, and it said something to me."

The Lutheran Press Reporter describes him as a "layman . . . and he's a theologian". His riches to rags story takes him from Harvard's Law School to Harlem's ghetto, and on purpose. He has spent seven years in East Harlem. He is the author of many articles on religious subjects and a recently published book, "My People Is The Enemy".

Pants So Tight He Walked On Toes

Rev. Herbert Bergsma, of Grand Rapids, Mich., criticized recently what he called "the tragedy of the modern concept of manliness inspired by the devil."

He cited modern male styles which are so long "you can't tell if they're boys or girls" and modern tight clothing as part of this concept.

"The other day, I saw a young man whose pants were so tight he had to walk on his tiptoes because there was no circulation in his legs," he told a convention of Young Calvinists from Canada and the United States.

Four Wardens Sign Quinte Jail Agreement

Wardens of four eastern Ontario counties formally signed an agreement with the provincial government

Tuesday, November 23rd for the construction of a regional detention centre to replace four antiquated county jails.

The Quinte regional detention centre, to be built near Napanee at a cost of about \$1,100,000, will serve the counties of Frontenac, Hastings, Lennox and Addington and Prince Edward.

The four existing jails in the counties all were built prior to 1867.

Participating in the signing ceremony with Reform Institutions Minister Grossman were Warden O. F. Goodfellow of Frontenac, Warden Fred Beckett of Hastings, Warden Clair Benn of Lennox and Addington, and Warden B. C. Hepburn of Prince Edward.

Presbyterian Women

The November meeting was held at the home of Mrs. Les Rawlings with a good attendance.

Mrs. Bert Cook opened the meeting with words of welcome and read an article on "Creation of Man." After reading the hymn, "Jesus Shall Reign Where'er the Sun," Mrs. E. Foster gave the scripture lesson taken from Psalm 46. Mrs. Les Rawlings gave the meditation on "Quietness," referring to Psalm 46 — "Be still and know that I am God." We should not complain of our little troubles but stop and consider those in other parts of the world where there are noises of strife. Mrs. Rawlings then led in prayer for peace and quietness.

The Mizpah Benediction closed this part of the meeting.

Mrs. Rawlings and committee were in charge of remainder of the meeting. They entertained the ladies and made plans for the Christmas Fair.

Refreshments were served and a social hour enjoyed. Mrs. Don Fargy, on behalf of those present, expressed thanks to the hostess and all who had assisted with the meeting.

Wellman's W.I. Celebrate 60th Anniversary

On Wednesday, November 17th, Wellman's W.I. celebrated their 60th anniversary in Wellman's Church with guests present from Rylstone, Ivanhoe and River Valley.

The president, Mrs. A. Atkins, opened the meeting with a poem followed by the Institute Ode and the Lord's Prayer.

Mrs. Carl Clancy gave the history of the Institute since it was organized. (Prepared by Mrs. MacMullen).

A basket of yellow chrysanthemums were placed behind the anniversary cake, in memory of the deceased members and the president read the names of the first members. Two minutes' silence was observed in memory of deceased members.

The Secretary, Mrs. D. Clancy, read letters of congratulations from River Valley Institute and Warden Fred Beckett. Mrs. M. Totten, Toronto, and Mrs. J. Weaver, Trenton, sent letters of regret at being unable to attend.

Roll call was answered by each organization standing in a group.

Mrs. Jack Watson, of Rylstone branch, gave two readings, "Wagon Wheel" and "Shopping Trip". Mrs. Gerald Clancy and Mrs. Craig Watson favoured with a piano duet. Mrs. P. MacMullen, of River Valley branch, recited "The Shaving of Jacob". Wellman's Quartette, Mrs. F. Beckett, Mrs. K. Tompkins, Mrs. J. Pollock and Mrs. G. Clancy, gave two numbers, "Memories and 'The Voice in the Old Village Choir'".

Mrs. Gerald Clancy introduced the guest speaker, Mrs. Barton Haggerty, of Ivanhoe, and District President of North Hastings. Mrs. Haggerty brought greetings from the District and Ivanhoe branch. In her address, Mrs. Haggerty compared times of 60 years ago to today — the transportation, costumes, but we still have the same friendship. Merry Stewart Collect and Institute Ode. She spoke of the great growth of the Institute during the years, also the wonderful work during the two wars, with their supply of sewing and knitting, and the scholarships for students attending College and University. We still have the same motto, "Home and Country" for which we should strive to work. Mrs. Haggerty had a 1908 catalogue on display. Mrs. K. Tompkins voiced thanks to the speaker and presented her with a gift.

Miss Emma Rainie cut the cake and spoke of the first meeting when the Institute was organized.

The meeting closed with all singing "Auld Lang Syne" and repeating the Mary Stewart Collect. The President thanked all for coming and those taking part in the programme. A dainty lunch was served. Mrs. Glen Bush moved a vote of thanks to Wellmans W.I. for their kind hospitality and thanked Mrs. Haggerty for her splendid address.

History of Wellmans W.I.

Mrs. Carl W. Clancy, President of Wellmans W.I. in 1928-30, President of Hastings North District, 1935-37, and President of Trent Valley Area, 1951-53, had the honour of preparing the history of Wellman's Women's Institute on the occasion of their Diamond Anniversary. Mrs. Clancy said in part:

Let us pause a moment to think of all the wonderful visions these charter members had when they organized Institute work in the Wellman's

community.

The charter members saw a way of bringing rural people together in order to study ways and means for improvement of the home and community from a physical, intellectual, moral and social standpoint and also an opportunity to develop friendship. Today we stress the fact that our Women's Institute is an educational organization. Adelaide Hoodless, the founder of Institutes in 1897 at Stony Creek, had a vision and today her aims and patterns are still followed. In a short time there were Institutes all across Ontario, then the movement travelled over the provinces and finally the Associated Countrywomen of the World was organized; all through the vision of one lone woman at Stony Creek, Ontario.

In September, 1905, the president of Spring Brook Institute, Mrs. James McComb, organized the Wellman's Branch in the Orange Hall. The first president was Mrs. Andrew Meiklejohn. There were twenty-four charter members and five are still living, namely, Mrs. Blake Totten, Toronto; Mrs. Lyman Weaver, Trenton; Mrs. Ames, Bowmanville; Mrs. Hugh Morton, Stirling, and Miss Emma Rainie, Wellman's. Of these five, Miss Rainie was the only charter member in attendance at the 60th anniversary.

Mrs. Clancy said that these pioneer presidents and members studied the handbooks and stressed the need of parliamentary procedure. They had many well-prepared papers and debates and numerous social occasions. For many years they donated a thirty dozen crate of eggs at Easter time to the Children's Shelter in Belleville.

At the time of the Western Relief campaign, they contributed vegetables, canned food and clothing. During the years, many short courses have been held and in 1916 Wellman's W.I. took over the project of the beautification of Wellman's cemetery. Today it is registered and self-supporting. The first meeting of Hastings North District was held in Wellman's Orange Hall.

During the years, there have been 38 presidents, 12 secretaries, 3 District presidents, 1 District secretary and 1 Area chairman.

Mrs. Clancy stressed the value of the achievements of yesterday and the necessity of building for tomorrow. The keynotes of Institute work are Friendship, Co-operation, Harmony and Understanding.

The Women's Institute had a purpose when it was organized sixty years ago and there is still a place in the Wellman's community to carry on these aims.

A SPECIAL MESSAGE TO CUSTOMERS OF THE B OF M

What "My Bank" did with your dollars in 1965

Leslie Rawlings, Manager
Stirling Branch
Bank of Montreal

They were active dollars, those savings dollars you placed in the keeping of the Bank of Montreal in 1965. As manager of the local branch of "My Bank", I would like to take a few moments to fill you in briefly on the use that the Bank made of them.

Every dollar you saved during the past year was put right to work helping people directly or indirectly. Many of those dollars were used to aid people in financing things that meant an improved way of life for them... such things as cars, home improvements, household appliances of all kinds. Another substantial number was lent to small, medium and large business enterprises, encouraging them to expand and employ more people.

The personal savings of people like yourself amounted to very nearly one-half of the total deposits of \$4,605,387,144 at the Bank's year-end on October 31st. This figure represents a record high for deposits in our 148 years of operations and in turn permitted us to record a new all-time high in total loans of \$3,167,990,306.

Another \$811,767,061 was invested in high-grade government bonds which have a ready market, plus \$163,541,999 in other securities—mainly short-term credits to industry.

What else did your hard working dollars do in 1965? Well, they breathed new vitality into virtually every community across our nation. They financed new industry and created new jobs... helped farmers improve both their farms and their way of living... constructed new schools and helped students get a better education... aided fishermen to increase their catches and their incomes... built new roads and highways... supported community projects, large and small, of many kinds.

Yes, your savings dollars worked hard in 1965 — and hardest of all for you. For, steadily accumulating at interest, they are a sound investment in a better future for yourself and your family.

On behalf of the Bank of Montreal, may I say "thank you" for your confidence in "My Bank" and for the opportunity you are giving us to work with you in building a more prosperous Canada.

C.G.I.T.

One of the newly-formed youth groups of the St. Paul's United Church, Stirling, held its new Membership Service on Wednesday, November 24th, at 8 o'clock, under the leadership of Mrs. Max Maguire and Mrs. J. Boughen.

The service opened with the reading of Psalm 723, followed by Scrip-

ture taken from St. Luke 2, verses 41 to 52. The Leaders then received the girls with a warm welcome by tying their friendship knots and presenting them with their pins. They then took their places with 50,000 C.G.I.T. members across Canada.

After re-affirming their purpose and singing the C.G.I.T. Hymn, a message was brought to all by the guest speaker, Mrs. G. L. Mullin, of Madoc, who is the Northern Area leader.

Special music was provided by the Junior choir, under the leadership of Mrs. H. West. The service was brought to a close with prayer by Mrs. Max Maguire.

A delicious birthday cake and ice cream was served to the girls and guests. This being the 50th anniversary of the C.G.I.T., guests included Rev. Small, mothers and friends, Explorers and their Counselors, Mrs. J. L. Good and members of the United Church Women, who took special charge of the lunch.

Car Plunges Into Trent River Near Frankford

A Toronto-district man was rescued from the roof of his submerged automobile Saturday, after it crashed off the road and into the Trent River, near Frankford.

Gerald Comeau, 30, of Rexdale, was later released from Trent Memorial Hospital after treatment for exposure and head cuts.

Police say he had been on the roof of the car for about 20 minutes in icy weather before being rescued by a passing motorist.

A gravel-pit supervisor working in the Stirling area, Comeau was on his way home for the week end when his car went off Highway 33 on a curve south of Frankford. It swerved across the grassy river verge then down a 30-foot embankment into the water.

The automobile was retrieved, extensively damaged, from the river by mobile crane on Sunday.

Christine Brown and G. McComb Capture Top 4-H Club Awards

A Belleville district girl and a Bonarlaw boy received top honours at the annual Hastings county 4-H club awards night held Friday night at the Central Hastings High School in Madoc.

Christine Brown, member of the Belleville Jersey Calf Club was named the outstanding club girl during her membership in 4-H Agricultural club work, while Gary McComb, a member of the county senior calf club, won the boys' counterpart prize.

Miss Brown received the Canadian Imperial Bank of Commerce silver tray, while the Bonarlaw boy received a wristwatch from the same banking firm.

The auditorium of the Madoc high school was filled to capacity for the annual awards night, which saw prizes and other awards won during the 4-H club year handed out to club members.

Calvin White, of Detlor, president of the 4-H Club Leaders' Association, was chairman for the awards' night program.

L. MacLachlan Speaks

The guest speaker was Lyall MacLachlan, former associate agricultural representative for Hastings county, now attending Michigan State University at East Lansing where he is studying for his master's degree in agricultural science.

Although down from a peak membership of 427 two years ago, there were 386 4-H Club members enrolled this year in 25 different clubs. Eight of the clubs had 100 per cent competition, while 331 members completed all projects.

Gary McComb, as the outstanding 4-H Club boy, has completed 17 club projects, while Miss Brown has completed eight clubs.

Kalvin Sharp and Edward Wilson ended in a tie for the honour of being the outstanding club member of the year. Both received \$15 in cash from the Victoria & Grey Trust Company.

The 4-H Club work is in charge of Agricultural Representative W. D. Tipper; Lyall MacLachlan, until he left for Michigan State University in September; home economist Miss Janet Munroe, and Larry Bertrand, extension fieldman.

Tweed Largest Club

The Tweed calf club with 32 members was the largest club in the county organization, followed by the Madoc Potato club with 23 members and the Stirling Calf club with 22 members. Both the Stirling Calf Club and the Madoc Potato Club had 100 per cent completion.

Among the homemaking clubs, three members were presented with provincial honours in recognition of completing 12 projects. Marjorie Palmateer, of Chapman's, Marlene Mitchell, of Quinte, and Betty Holland, of Eldorado, received provincial pins.

Beverly Ketcheson, Madoc, was one of seven delegates to attend the National 4-H Week convention in November. She has completed 12 homemaking clubs and 10 agricultural clubs.

The boys also stood high in provincial competitions and in inter-county judging.

Team Did Well

At the Royal Winter Fair a county judging team composed of Robert Bird, Marmora, Grant Hagerman, Stirling, Edward Reid, of Campbellford, and Calvin Sharp, of Stirling, placed third in the overall competition and won top honours for judging of dairy cattle. The team was coached by Owen Ketcheson, of Moira, and Larry Bertrand, of Marmora.

News-Argus Trophy

The Stirling News-Argus trophy for the top small seeds and weeds judge in Hastings County Seed Judging Competition went to James Wallbridge, of R.R. 3, Belleville.

Kalvin Sharp won the Hastings County warden's trophy as the highest scoring 4-H contestant in county livestock judging. Karen Reavie won the Mutual Life award as the top dairy judge; Kalvin Sharpe was the

top swine judge, while Christine Brown was the top sheep and swine judge. Diane Gunning won the CNE shield as the highest scoring novice judge and also won the Clarke T. Rollins award as the highest scoring novice girl member. Jude Cassidy won the equivalent award as the highest scoring novice boy.

Spring Brook Farmers' Union

The November meeting of Local 171 of the Ontario Farmers' Union, was held at the home of Mr. and Mrs. James Spry.

The 10th Anniversary Celebration held at Tweed on November 26th was reported on and it proved a very good success.

The delegates that attended the convention at Guelph gave their reports. Murney Bateman gave the report for the first day, the speaker was H. Gordon Greene, of Wellington South, who spoke on behalf of Hon. Harry Hayes concerning the milk board. Mrs. Jim Spry and Mrs. Morton Reid gave very interesting reports.

Congratulations go out to the four winners from the Spring Brook Local for entries entered at the convention: Essay — Miss Marlene Shortt, daughter of Mr. and Mrs. Roy Shortt, of Spring Brook; Driftwood — Master Art Reid, son of Mr. and Mrs. Morton Reid, Spring Brook; Mural — Johnny Spencer; Scrapbook — Douglas Spencer, both sons of Mr. and Mrs. Jack Spencer, R.R. G. G. Bailey, Secretary-Treasurer

Fellow Citizens of Rawdon Township

I am taking this opportunity through the medium of the Stirling News-Argus to ask for your support at the polls on

Fri., Dec. 3 for the Office of Reeve

I have nine years' experience on Council, three of these as Deputy Reeve, which entitled me to go to County Council, where I served to the best of my ability each and every meeting. I was on the Agricultural Committee for two years, one year as a member and one year as chairman. This past year I have been a member of the Board of Hastings' Manor.

I have given the present Reeve my support at both Township Council and at County Council, and since he has had all the honours of Municipal Government, I feel that I am not infringing upon his career in asking you to vote for me as your Reeve in 1966.

IS STIRLING A HORSE AND BUGGY TOWN?

Or Are We Mature Enough to Stand on Our Own Feet in Common with Neighbouring Urban Centres?

THE ANSWER IS YOURS TO DECIDE!

On December 13th, you will be having an opportunity to vote YES if you desire a Liquor Outlet in Stirling.

HOW DO WE RATE WITH OTHER TOWNS?

Our mill rate is as good. We have water and sewers and schools. Our streets are good. We have fine business outlets. We have few relief problems.

NO ROOM FOR IMPROVEMENT?

How about dining facilities, over-night accommodation, tourist attractions?

No opportunity to grow here, is there? What about that mill rate question? Can we steadily improve our town without a mill rate increase? Well, it can be done, but only in one way. That is, with a continued growth pattern.

We know of interests that would like to spend \$100,000.00 in Stirling if we have a majority YES vote on December 13th. The added business in our town, will add thousands of more dollars, in goods, jobs, wages, taxes. In this way and only in this way can we steadily improve Stirling and be able to maintain and possibly lower our mill rate. Are you retired and on a pension? This must mean something to you.

Yes, in some ways Stirling is as fine a centre as any in Hastings. But, in other respects we are in a terrible state — badly in need of improving.

There cannot possibly be a moral issue involved in this vote — and anyone who suggests so is ridiculous. The facilities are everywhere but in Stirling. The business is starting to go everywhere but Stirling, too!

WOULD YOU SUGGEST GO SLOW AND LET STIRLING GO SLOWER?

A no vote is a vote against steady, continued growth in Stirling and has nothing whatever to do with consumption of liquor purchased elsewhere.

The last time you voted on this question, it was lost by 3 votes. Let's not make this mistake again. We want a 100 vote majority.

IF YOU ARE GOING TO BE OUT OF TOWN, VOTE AT THE ADVANCE POLL

VOTE FOR PROSPERITY - VOTE YES

MARK YOUR BALLOT ONLY WITH AN "X"

—Inserted by the VOTE "YES" COMMITTEE and endorsed by many business people of Stirling

ELECT BAILEY

To The Electors of Rawdon Township:

Having accepted a nomination as Councillor for 1966, I appeal for your support and influence in electing me on Friday, December 3rd.

Should I be elected, my aim will be to so conduct the affairs of the Township as to merit your confidence.

Mr. and Mrs. Duane Johnston Honoured At Minto

Salem United Church Hall was filled to capacity Thursday evening when relatives, friends and neighbours gathered to honor Mr. and Mrs. Duane Johnston on their recent marriage.

Mr. Lorne Hagerman capably filled the duties as chairman, expressing happiness and best wishes to the bride and groom. Mr. Craig Watson, with Mrs. Watson at the piano, led in community singing; also entertaining with many humorous jokes. Readings were given by Miss Edna Tanner and Mrs. Frank McGee. Piano solos were enjoyed by Mrs. C. Watson, Misses Jane Clements and Cathy Wickens. Mrs. Marvin Cooney favoured with an accordion selection.

Warden Fred Beckett and Deputy Reeve Burton Morton and the groom's father, Mr. Murney Johnston, spoke briefly.

Mr. Paul Heagle read the address

and Duane and Shirley were presented with a space saver, two cushions and a scatter rug on behalf of the Minto community. They also received several individual gifts for which they very capably replied thanking all who contributed and helped in any way toward the lovely and appreciat-

ed shower. They also invited all to visit them in their new home in Stirling.

"For They Are Jolly Good Fellows" was sung. Lunch was served and a social hour spent.

It is estimated that dairy farmers

in Ontario sold 0.8 more milk during the month of June and 1.6 per cent more during the first 6 months of this year than during the same periods of 1964 for the combined production of creamery butter, cheddar and other factory cheese, concentrated whole milk products, ice cream and for fluid milk and cream sales.

Why
are you*
headed for
higher
automobile
insurance costs?

Because an "average" accident
last year cost \$810...a jump of \$113 in just 5 years

Automobile insurance rates in most areas of Canada will increase in 1966. Prudent drivers ask why premiums should rise again. Here are the key reasons:

- Every year the number of vehicles on Canadian roads is increasing... but the total cost of accidents in the past five years has gone up *three times as fast* as the number of cars which together must provide the money to pay for these accidents.
- And during the past five years the number of accidents has spiralled much faster than the number of cars that are on the road.
- In that same period the total cost of insurance claims has doubled.
- Since 1960 this claims cost has been climbing at an average of \$40 million a year. This year's insurance bill for accidents will total \$400 million.
- Each accident costs more than it did five years ago — the result of more expensive and luxurious cars,

increasing repair costs, higher medical expenses and compensation for time off work or lost income.

The only way to stop this spiral is to have fewer accidents. That is the best way, too, to cut the tragic toll of 4,500 deaths and 150,000 injuries in Canada each year. *Safety pays...* it saves lives and dollars.

*Even Good Drivers Have Accidents

Drivers with a three-year accident-free record earn a 35 per cent discount off basic insurance rates. But even good drivers have accidents. Eighty per cent of all accidents are caused by people who have driven three or more years without an accident. That is why the basic rates go up for everyone—even the good driver who still gets his discount.

Fellowship Meeting At St. Andrew's

A most enjoyable meeting in Fellowship was held in St. Andrew's Presbyterian Church on November 24th. Ladies were present from the following Churches: Grace Chapel, St. Paul's United, St. John's Anglican, St. James' the Minor Roman Catholic, Eggleton United, Good Tidings Pentecostal, Carmel United and St. Andrew's Presbyterian.

Mrs. V. Matthews, St. Andrew's, played the piano while the ladies assembled and during the singing of the hymns.

Mrs. J. L. Good, St. Paul's, was in charge of the meeting and she stated the theme for this meeting was "Peace on Earth". This theme was observed throughout the programme.

After singing the hymn, "Dear Lord and Father of Mankind", Mrs. Bert Cook expressed words of welcome on behalf of the Presbyterian Women. The devotional services were in charge of St. John's Anglican. Mrs. W. Webber read the Scripture. Mrs. Harry Cooke gave the meditation and Mrs. J. Green offered prayer. The Lord's Prayer was repeated in unison. Mrs. J. Green and Mrs. S. McArthur received the offering and Mrs. H. Cooke gave the prayer of dedication.

The hymn "What a Friend We Have in Jesus", was sung. Mrs. Ray Hagerman, Carmel United, gave a reading, "The House By the Side of the Road".

Mrs. Forde Stapley, Eggleton United, and Mrs. Harold West, St. Paul's United, rendered vocal solos. Mrs. Bruce Stapley, Eggleton's, accompanied on the piano.

A reading on "Peace" was given by Mrs. Ray Burley, of St. James Roman Catholic, followed by a piano solo by Mrs. Robert Donnan, of Good Tidings Tabernacle.

Mrs. Don Fargey, St. Andrew's, introduced the guest speaker, Mrs. John Wallace, St. Andrew's Presbyterian, West Huntingdon, who chose as her subject, "Peace on Earth". She stated how peace can be obtained in this world. "Peace must begin with thee". She kept the attention of all, throughout her address.

Mrs. D. Duffin, St. Paul's, expressed thanks to the speaker, Mrs. Wallace, to others who had helped with the meeting, and to all for attending this most beneficial meeting in Fellowship. The hymn "Blest Be The

Tie That Binds" was sung. Mrs. Good closed the meeting with prayer. The Presbyterian Women served refreshments and everyone present enjoyed a social hour with friends of other churches.

Announce Car Insurance Rates To Rise 5 Per Cent

Increases in 1966 automobile insurance rates, predicted in recent weeks by company executives were confirmed recently by the All Canada Insurance Federation.

The national average rate will rise 5.6 per cent, the federation said. Prince Edward Island, Western Canada and parts of Ontario came in for the severest increases.

The largest rise in the country will be a 12.5 per cent average in P.E.I. Rates will increase by 12 per cent in Winnipeg, 11 per cent in Vancouver and 10 per cent in Calgary.

The increase across Ontario will average 5.8 per cent but it will be 12 per cent in Brantford and at the Lakehead, 13 per cent in Niagara Falls, and 14 per cent in Sault Ste. Marie.

Rates will rise by five per cent at Hamilton and Oshawa while Toronto comes in for a four per cent increase and Ottawa and Montreal two per cent.

Quebec's average increase will be 1.5 per cent. The federation said that province escaped a larger increase because of a decline in accidents in the last year.

The federation, representing 200 insurance companies, said more frequent accidents and their higher costs make the rate boosts necessary.

Increases on existing policies will go into effect when they come up for renewal.

New Township Hall Proposed For Sidney

Ontario Municipal Board approval is expected before the end of the year by Sidney township for the construction of a new township hall and municipal offices.

Plans call for the construction next Spring of a split level structure on the 4th concession at the intersection with the county road to Wallbridge.

Over-all dimensions of the new township office will be 36 by 65 feet with municipal hall dimensions of 33 by 34 feet, exclusive of stage and kitchen.

Following receipt of OMB approval the township will make application for approval of the structure as a centennial project.

Fire Dept. To Conduct Muscular Dystrophy Drive

The March for Muscular Dystrophy will take place in Stirling during the period of December 6th to 18th, 1965.

The campaign will be conducted by the Stirling Volunteer Fire Department. They will place canisters in local places of business.

The Chairman of the local campaign committee is Douglas Robson.

Money raised in the campaign will be used to finance research on muscular dystrophy and related diseases, so that a treatment or cure may be found for them.

These diseases, as a result of their effects on the muscles of the body, often leave young victims so weak that death can result from a common cold infection.

HASTI-AGRI-GRAM

THE FARM NEWS LETTER OF HASTINGS COUNTY

Ontario Department of Agriculture, Stirling, Ontario

FEED ASSISTANCE

The original drought assistance program covering the purchase of feed in Eastern Ontario has now been changed. This program is still in effect but with a new deadline for applications. The date of this deadline is December 15, 1965. The program has now been re-named "The Federal-Provincial Adverse Weather Assistance Program — 1965". It still requires the basic application which has been given the December 15th deadline. The new part is to provide for special assistance to the pockets or small areas that had more difficult conditions to face during the year. This special assistance will be granted on the basis of individual applications where the farmer is able to give valid reasons as to why extra help is required.

Remember then that the basic application made on a green form has to be filed on or before December 15th. If this does not provide enough help, then the individual farmer can make a special application on a grey form. He must have this filed on or before January 15, 1966.

Basic application forms and special application forms are available at the Ontario Department of Agriculture Office in Stirling. Also available are claim forms made under private sale.

Horticultural Society November Meeting

Mrs. Percy Craighead was hostess to the Stirling Horticultural Society on Monday, November 29th, at 8 p.m., with twenty-four members present.

The meeting took the form of a "welcome home" to the president, Mrs. Floyd Armstrong, after her recent trip to England. She gave a very interesting talk during the evening and passed around many of her pictures which were on souvenirs bought at places visited. Several of the members who had also seen England, were taken back again by the interesting way Mrs. Armstrong presented her talk.

Mrs. H. West and Mrs. R. Warner displayed some homemade Christmas decorations and explained the construction of them. They were very effective and fairly simple to make. Mrs. West gave a reading entitled "The Good Old Days" and Mrs. Warner gave a reading, "The Day After Christmas". Both were very amusing.

A nominating committee was appointed to bring in a new slate of officers for 1966. The next meeting will be on January 17th, at 2 p.m., at the home of Mrs. Floyd Armstrong.

A delightful lunch of cookies, ice cream and coffee was served by the committee and Mrs. May Clarke tendered a vote of thanks on behalf of all present to the hostess, Mrs. Craighead, and the committee for a very enjoyable evening. Mrs. Craighead replied stating that she was very happy to have been hostess for the meeting.

Hastings District Farmers' Union 10th Anniversary

Over 300 people joined in the festivities as Hastings County Farmers' Union celebrated their 10th anniversary, Friday, November 26th, in St. Catharines Hall in Tweed.

The gathering was privileged to have many of the people that organized and promoted farm union in this district present.

The Ontario Farm Union executive were all in attendance in the persons of John Dolmer, president; Jeanne Williams, lady president; Ellard Powers, vice-president; Mrs. Opsitnik, lady vice-president; Walter Miller, 2nd vice-president, and Delmer

Bennett. Many more notable members were at the celebration.

Mr. Clarence Graham, of Tweed, chaired the programme for the evening. He is a past director of the County.

Walter Miller, 2nd vice-president of O.F.U. from Grey County, was the guest speaker of the evening. He was the Union official who helped to set up this county organization ten years ago. He reminded the gathering that the farmers direct the destiny of the country's economy if agriculture is to progress.

Many honoured guests were called upon to speak briefly.

Dancing continued throughout most of the evening. Mrs. Clarence Graham, of Tweed, cut the anniversary cake and a bountiful smorgasbord brought the 10th Hastings District O.F.U. anniversary to a close.

Surprise Shower

A surprise shower was held on Tuesday, November 30th, at the home of Mrs. Ken Myers with some twenty-five women in attendance.

The guest of honour, Mrs. Doris Nickle, was seated in a decorated chair under a pretty, pink umbrella. Mrs. Grant Richardson led the ladies in some lively games and contests. Prizes were won by Mrs. Roy Eggleton, Mrs. Don Rodgers, Mrs. Gilbert Seeley.

An address was read by Mrs. Don Rodgers, followed by a shower of confetti and good wishes over the bride-to-be. She then opened her gifts and thanked everyone for attending.

Lunch was served by Mrs. Don Irish, Mrs. Ken Duesbury and Mrs. Ken Myers.

WHAT IS PROGRESS?

Progress is change that IMPROVES
WILL LIQUOR
IMPROVE STIRLING

NO

It WILL NOT Because . . .

1. Liquor will not draw tourists This is not a tourist area because of lack of utilized natural resources.
2. Liquor will raise taxes, due to increased cost of law enforcement, social welfare and settlement of accidents. For every \$1.00 the government collects on liquor or beer, it spends \$2.50 for the above.
3. The ONLY industry interested in having an outlet in Stirling is the Liquor Industry. All others lose. 25 - 30% of all Industrial losses were due to drinking; 12 - 15% due to illnesses resulting from drinking. This means 37 - 45% of the total waste in industry results from alcohol.
4. Liquor will not improve the morals of Stirling. It never elevates! It often degenerates! The Vote "Yes" Committee claims that to call this vote a moral issue is ridiculous. Most Protestant Churches must be ridiculous according to last week's advertisement. They say there is a moral issue here.

**STIRLING WAS A HORSE & BUGGY TOWN
IN 1908 IT HAD 3 BARS, 1 LIQUOR STORE**

A dry Stirling proved to be an improvement.

Mr. and Mrs. Barry Crawford Honoured On Recent Marriage

The home of Mr. and Mrs. Donald W. Heath was the scene of a happy gathering on Saturday evening, November 27th, when friends, relatives and neighbours gathered to honour Mr. and Mrs. Barry Crawford on their recent marriage.

Rev. W. C. Cox in his usual capable manner filled the duties as chairman and after several humorous remarks expressed happiness and best wishes to the bride and groom.

Community singing was led by Mrs. W. C. Cox, with Mrs. Harold Elliott at the piano. Mrs. Eva Mulheron gave a humorous reading and Mrs. Marvin Cooney favoured with an accordion selection. Mr. and Mrs. Alton Hadley entertained the group with pictures of the wedding, along with many pictures of local interest, which everyone enjoyed.

Mrs. Alton Hadley read the address to Barry and Donald and they were presented with a purse on behalf of the community. The bride and groom replied, thanking all who had helped in any way toward the lovely and appreciated shower, stating the welcome mat would be out to everyone at their home in Willowdale.

"For They Are Jolly Good Fellows" was sung. Lunch was served and a social hour spent.

Rylstone W.I.

Mrs. Jack Watson was hostess to the Rylstone Women's Institute for their December meeting on Wednesday afternoon at her home. There was an attendance of fifteen ladies and two pre-school children.

The home was very prettily decorated for the Christmas season with candles, holly and Christmas flowers. A small Christmas tree in a corner of the living room set the holiday note, under which nestled wrapped parcels for the annual gift exchange.

Mrs. Lindsay Anderson, President, was in charge of the Executive part of the meeting which included the Institute Ode and the Lord's Prayer; the roll call, answered by "A Christmas I Remember". Christmas carols were sung, including "Silent Night", "O Come All Ye Faithful", "Away In a Manger", and "O Little Town of Bethlehem", led by Mrs. Don Stewart with piano accompaniment by Mrs.

Percy Reid.

A secret ballot was held to fix the name of the Centennial Park. It was voted by a large majority to retain the Barnum name — "Rylstone Women's Institute Barnum Memorial Centennial Park". Until recently, the land was in the Barnum name continuously since 1867.

The topic, on "Christmas", was very ably presented by Mrs. Murray Meiklejohn. Mrs. Carl Reid gave a reading, "The Truth About Santa Claus". Mrs. Ernie Rowe gave a very interesting demonstration on making "Fountain Bouquets" from discarded plastic bottles. She also showed a few other small Christmas gifts that were useful and pretty and simple to make.

Mrs. Stanley Kerr conducted two Christmas contests. Christmas gifts were exchanged and the meeting closed with the National Anthem. A dainty lunch was served by the hostess and her committee.

The tanker was empty of fuel at the time.

Provincial police said Lionel Clement, of Montreal, was driving the truck south on the Madoc Road when it slipped onto the shoulder at the intersection, skidded out of control and rolled.

The truck was left at the scene overnight, awaiting the arrival of a company mechanic and tow truck from Montreal.

Christmas Meeting River Valley W.I.

Mrs. Albert Wilhelm, Rainbow Fishing Lodge, was hostess for the Christmas meeting of River Valley Women's Institute on Tuesday, December 2nd. The home was beautifully decorated with Christmas greenery, holly and motifs. Soft Christmas records were played as the guests arrived. There were 21 members, 2 visitors and four pre-school children in attendance. A large basket was filled with individual Christmas cheer parcels which will be distributed later by the committee in charge of that department.

A card was signed by all for a member who is ill and the Fall issue of Home and County magazine was distributed.

Mrs. Glenn Bush opened the meeting with the Ode and Mary Stewart Collect. Mrs. Ernest Carr and Mrs. J. R. Donohoe gave their various reports. Mrs. Jack Bush gave a summary of "How to buy plants for Christmas and their proper care." Mrs. Roy Tucker gave suggestions for Christmas gifts. Mrs. Roy Bush asked that various items pertaining to 1867 be prepared for the Tweedsmuir

History book.

Mrs. Charles Wilhelms read an article about education in Saskatchewan. Mrs. Roy Irvin read an article prepared by Clarence Chard on the Province of Saskatchewan which is the Cree Indian name for Big Water.

The early four traders with their canoes came from Montreal for the Hudson Bay Company. Saskatchewan is the largest of the three Prairie Provinces and is about 400 mile across from east to west.

In the early days the prairie sod was plowed chiefly by oxen. Near Estevan there are soft coal deposits and at Prince Albert large lumber mills and plywood factories. This province has oil wells, potash deposits and abundance of white fish in the lakes.

The Hudson Bay Railway from north east Saskatchewan runs six hundred miles north to the Port of Churchill. This is one thousand miles nearer Europe than by St. Lawrence Seaway from Saskatchewan.

The New South Saskatchewan Dam at Outlook when completed will have a lake one hundred and thirty miles long and it will be used for irrigation and electric power. This article contained a wealth of interesting information re "Life in the Prairie from 1870."

Mrs. Percy MacMullen, Friendship Link Secretary, read a letter from Mrs. E. Coombs, Abbots Leigh, England, expressing thanks for the Christmas parcel which had been received and which would be distributed on December 7th at their Christmas party.

For Public Relations Mrs. MacMullen displayed an Irish tea towel which Mrs. L. Trivers had purchased for her in Dublin, Ireland. She also stated that she had sold almost 90

souvenir conference booklets for the A.C.W.W. Penny Fund and that the voluntary offering at the area for "Pennies for Friendship" amounted to \$14.00 and this will be forwarded to FWIO.

Mrs. Roy Tucker, ACWW convener, read an article from the November Countrywoman giving a word picture of how Mrs. Long, of Sterling, Illinois USA, sent an orchid corsage to her pen friend in England who had been chosen to attend the Royal Garden Party. She also gave a brief account of a Jumble Sale in western Australia. The penny jar was passed by Ralph Tucker.

The January meeting will be held on the 6th at the home of Mrs. Vernon Harry and the delegates will present their area reports. On motion the mileage for the drivers and the delegates expenses were authorized to be paid.

The Summary Day for the hat course is Tuesday, December 7th at the Stirling Community Hall.

Achievement Day for 4-H Clubs is at Nicholson College, Belleville, on December 11th.

The four members were paid their honorarium for leadership.

Two letters from the foster child in Germany were read by Mrs. Wilhelm. From the money gift which he received he was able to purchase trousers for himself and his brother. It was authorized to purchase a Canadian souvenir to mail to him at an early date.

The euchre parties will begin on Friday evening, January 7th at the School House with the Citizenship and Education group in charge the first week.

A letter from Uniondale W.I. will be discussed in January.

Programme

The Christmas programme was arranged by Mrs. Malcolm McMullen and Mrs. Vernon Harry and opened with three carols with Mrs. Philip Conley giving organ accompaniment.

Mrs. J. R. Donohoe read the motto which had been prepared by Mrs. Don Donohoe. This stressed the Golden Rule as one of the important laws of the Bible. "Do unto others as you would have them do unto you."

Mrs. Roy Bush read a timely message pertaining to Christmas. The roll call brought out numerous thoughts on what Santa might bring.

Mrs. Gerald Brooks displayed the large array of millinery which had been fashioned by members of the hat

course. Mrs. M. McMullen conducted a song contest based on Christmas carols.

Christmas Luncheon

The Home Economics and Health group, under the direction of Mrs. John Kane and Mrs. Charles Wilson, served a Christmas luncheon and all enjoyed a social half hour. The president voiced thanks for hospitality programme and lunch.

A card party at the school house on Friday evening, December 3rd, closed the institute activities for 1965.

For The Sale of Liquor?

YES X

VOTE YES

BY MARKING YOUR BALLOT WITH AN "X"

**Government Controlled Stores Have Improved Conditions Elsewhere
-- AS THEY WILL IN STIRLING --**

Store Sales Only, No Beverage Rooms

It should be understood by all voters that the present vote is for a Government Liquor Store and Brewers' Retail Store only. Beverage rooms or other licences would require a separate vote which could not be held for three years. We feel sure that most residents are in favour of stores and for this reason the balloting is confined to this issue.

Shopping Trips Away From Home

We are well aware that local residents visit outside towns to purchase beverages and during these trips make many other purchases. But few come this way. This results in an economic loss to merchants in the town. If we have legal stores here, it will greatly benefit the town's economy.

Safer Highways

Many trips to other centres for the purpose of buying liquor would be unnecessary if we had legal stores. These stores would reduce present highway hazards.

Tourist Development

In recent years, every progressive resort and tourist area in the province has established Government Stores. In most cases, these votes approved the stores by a large majority. Tourists demand these services and visitors to Stirling are no exception.

Illegal Outlets

It is a well-known fact that there is an illegal underground liquor traffic where Government outlets are not established. The experience of nearby communities proves that illegal operations largely cease when residents and visitors can purchase liquor legally at legal Government prices.

All Around Us

Government Stores are located in the neighbourhood of 7 to 20 miles distant from Stirling in every direction. To get their supplies, local citizens are obliged to travel to Frankford, Madoc, Tweed, Belleville, Trenton, Campbellford or Marmora. Why not provide this service locally and give Stirling the benefit of local tax revenue and employment provided by a Combination Store?

Stirling Citizens Vote In Favour of Liquor Outlet In Monday's Election

Over Eighty-Six Per Cent
Vote Recorded — Over
63% Vote For An Outlet

With over eighty-six per cent of the eligible voters going to the polls, Stirling voted in a combination liquor and beer outlet in the plebiscite held on Monday, December 13th. Both sides worked hard to get out the vote and the result was possibly the largest vote in the history of the Village.

The vote in favour of the combination liquor and beer outlet was 63.78% of the total cast. Under the provincial legislation, 60 per cent must favour the question in order to win.

There were only nine spoiled ballots cast during the day.

The results by polls were as follows:

	YES	NO
Poll 1	161	101
Poll 2	119	80
Poll 3	119	74
Advance Poll	50	0
	449	255

Defeated Three Years Ago

On December 3rd, 1962, the last time a vote was taken on this question in Stirling, the liquor outlet was defeated by a narrow margin, with 58.6% voting in favour of an outlet.

In Hospital

The many friends of Mrs. Clayton Burditt, Spring Brook, will be sorry to learn that she was admitted to Belleville General Hospital on Monday and will undergo surgery on Thursday.

Editorial

COMMUNITY CHRISTMAS TREE

Continuing the practice of past years, the business men of Stirling will again hold a Community Christmas Tree this year and invite Santa Claus to be present and give each child a favour. To the hundreds of school children in Stirling and surrounding community, and to those who are too young to attend school, the announcement that Old St. Nicholas has again consented to make Stirling a place of call will be most welcome news to all concerned.

At a meeting of the business men called by the Stirling Chamber of Commerce recently in the Council Chambers, it was definitely decided to hold this annual event on Saturday, December 18th. As usual, Santa will meet all his little friends in the centre of the Village where treats of candy will be handed out, followed by free skating at the Arena.

The holding of this event each year by the business men is a splendid gesture of good will to the community within a radius of several miles from the Village, and there is no doubt but that it is greatly appreciated by the children and their parents.

Merchants Ready For Christmas; Santa Claus To Be Here Saturday

Local Stores Stocked With First Quality Merchandise For Christmas Shoppers

Once more, Christmas is with us. And once again the residents of Stirling and vicinity are faced with the problem of Christmas shopping. Every member of the family expects that Santa Claus will make his annual appearance. From the youngest to the oldest, there is a feeling of expectancy; Santa Claus or no Santa Claus, the spirit of Christmas must be upheld.

To the end, Stirling merchants are putting forth a united effort to make the Christmas shopping season an easier and more enjoyable one. The local stores are attractively decorated, windows are gaily adorned and literally shine forth with news that within are items attractively priced for Christmas buyers. Shelves are stacked high with all those articles of wearing apparel and household necessities that anyone could desire.

No Christmas season has found the local merchants more prepared to serve than the present one. No finer stocks have ever graced windows and store-rooms. Bright, new, attractive goods, well-displayed, carefully chosen, and reasonably priced are to be found on every hand. Buyers should peruse the advertisements in this issue and shop where they are invited to shop.

Santa Claus Coming

Santa Claus will arrive in Stirling on Saturday, December 18th, at 2.00 p.m. at the Stirling Christmas Tree.

After greeting every good little boy and girl in the community, Santa will present each one with a bag of treats. Following Santa's visit, free skating will be made available at the Stirling Arena.

Santa's visit is being sponsored by the Business Men's Section of the Stirling Chamber of Commerce and a special invitation is extended to the parents to bring their children to town on Saturday afternoon, December 18th.

Christmas Candlelight Vesper Service At St. Paul's

The C.G.I.T. girls of St. Paul's United Church held a Christmas Candlelight Vesper Service in St. Paul's Church on Sunday, December 12th.

Mrs. J. Boughen and Mrs. M. Maguire, the leaders, led the service. Five candles were lighted, representing the five weeks of Advent. The candle-lighters were: 1st, Heather Maguire; 2nd, Diane Wilson; 3rd, Judy Merrill; 4th, Karen Johnson and 5th, Debbie Arbuckle.

The ushers were Karen Webb, Anne Maguire, Betty McCrory, Darlene Fox, Linda Faulkner and Brenda St. Pierre.

After the service a social hour was held, during which carols were sung and a lunch was served, under the supervision of the Sunday School teachers. The evening was enjoyed by all present.

During the morning White Gift service, Connie Donohoe and Doreen Maracle presented a cheque to the Missionary and Maintenance Fund.

Icy Streets

Pedestrians and motorists found the travelling slippery on Sunday when a fine rain froze to the surface as it fell. Car drivers encountered the most trouble and slowed down to a careful pace. However, highway officials were on the job and kept the highways sanded.

Christening At St. John's

Richard Reginald Hewton, infant son of Mr. and Mrs. Barry Hewton, Don Mills, was christened at a private christening on Sunday, December 5th.

Rev. F. F. Downing performed the ceremony. Mr. and Mrs. Thomas Ham, of Don Mills, were Godparents. Members of the immediate family were present.

Following the ceremony the group gathered at the home of Mr. and Mrs. Dick Hewton for a buffet lunch.

Elaine Footwear Employees Guests

The annual banquet for the Elaine Footwear employees was held Friday evening, December 10th, in the Stirling Community Hall. Some one hundred and ninety guests were received by the various foremen and their wives. A delicious dinner was served by Bethel United Church Women, at 7 p.m. Albert Wilhelm said Grace and John Feit gave the toast to the Queen.

Edward Klompmaker proved an efficient master of ceremonies for a programme, which included Christmas carols with John deVries at the piano; songs, by John Reid, with his own guitar accompaniment; accordion music by John deVries and songs by Tom Iserhoff, of Hal-lowsay. Andy Clapperton contributed several Scotch numbers.

John Svoboda spoke to the gathering and commended the employees on the good work they are doing. He also announced an extension to the factory, planned for next February.

Joe Valchar spoke briefly and also complimented the employees on their work.

Mrs. Marg. Bosiak expressed thanks to the ladies for the delicious banquet, to which Mrs. Don Heath replied.

The remainder of the evening was spent in dancing to music provided by the Cameos, of Belleville.

KEEP YOUR

Choose a place for the tree which will not block access to doors or windows in the event of an emergency.

Hold it! Before you set up the tree, cut one or two inches from the butt. Then set it in water. Crushed stone in a suitable container will keep it steady.

Remember to replenish water regularly throughout the Christmas Season. You may need to add more than a pint a day.

Insulation of lighting strings should be checked for damage and possible short circuits. If buying new lights, be sure they are C.S.A. approved.

Smoking near the tree is foolish and dangerous. Keep cigarettes and matches at a safe distance.

Tinsel and other decorations should be non-flammable. Don't deck your tree with added fire dangers!

Make sure that matches are kept out of reach of children, and never leave young children unattended even for a minute!

Always clear away discarded gift wrappings promptly from the tree area. Even a moist tree will burn if ignited by such a fire around its base.

Switch off the tree lighting when you go to bed, or whenever you leave your home.

BEST WISHES FROM THE MEMBERS OF

STIRLING FIRE DEPT.

Letter To Editor

As Chief of Police of the Village of Stirling, I would like to submit a few suggestions for the consideration of the citizens.

1. One of my duties as a police officer is protection and safety to persons and property.
2. Christmas being just around the

corner and the busiest time of the year, many persons who are unknown will endeavour to cash personal cheques and post office money orders, and some will endeavour to cash forged cheques. Should persons unknown to you wish to cash cheques, suggest they cash same at the bank. A postal money order is good anywhere, but due to the fact that a

large number of money order blanks have been stolen, it is suggested that they cash them at the post office as they have a record of all stolen money orders.

3. Wherever you do your Christmas shopping do not put your parcels inside of your car on the seats, but lock them in the trunk. Should the parcels be observed on the seat

of your car and you lock your doors, it does not take too much effort to break the vent window and when you return to your car you might find the parcels missing. This will cause a hardship on many people.

4. It is suggested that the merchants in this community leave their cash registers open when they retire from their place of business and light the premises up as much as possible.

5. This is the time of year when many accidents, some of them fatal, occur. Should you discover that your vehicle isn't going to stop when the brakes are applied, pump your brakes by striking the brake pedal with your foot. By doing this the snow is knocked out of the treads of the vehicle's tires and at the same time gives the tires a better grip. It is also suggested that each driver of a motor vehicle give the right of way. This will eliminate many accidents. The writer is the only police officer in this community and he would like to be able to spend Christmas with his family.

6. Should anyone have the desire to use alcohol in excessive quantities please leave your vehicle parked. In closing, I wish each and every one of you a Merry Christmas and a Happy New Year.

C. E. Hicks.

Sports Notes

(by Bob Taylor)

As with so many hockey leagues that have preceded it, it appears now that the Trent Valley Hockey League is destined for the hockey graveyard. In a recent telephone conversation with Arnold (Torr) Ross, of Madoc, President of the T.V.L., he disclosed that Madoc was definitely not going to enter a team. Marmora, as yet, was unheard from and Cooper was only a remote possibility. Stirling, unable to find anyone willing to take over the managerial reins from former manager Don Dean, was compelled to give up their ice time due to the rink schedule. Cloyne has been suggested as a possible entry, but as things look now the Trent Valley League is extinct after a mere two-year stand.

Mount Pleasant

(Mrs. Percy MacMullen)

On Saturday, December 4th, Mr. and Mrs. Jerry Melville, Peterborough, entertained the Melville family to a Christmas dinner and supper party. Mr. and Mrs. Bruce Melville and family, Sarnia, spent the week end at the home of his brother in Peterborough. Those from this area who attended were Mrs. Carl Dunham and grandson, Bobby Wedden, of Mount Pleasant; Mr. and Mrs. Glenn Bush, Trudy, Judy and Steven, of Stirling, R.R. 4; Mr. and Mrs. Ted Pollock and family, Ivanhoe.

Mrs. Frank Jeffs is a patient in the General Hospital, Belleville.

Mr. Lorne White, Belleville, spent the week end with his father, Mr. Ernest White and family.

On Sunday morning at the early church service six girls of the Junior choir rendered a Christmas selection.

Mrs. Frank Johnston, Queensville, spent a few days last week with her cousins, Mr. and Mrs. Sid Williams.

On Sunday, Mrs. Marguerite McMullen and her brothers, Harold White and John White, attended a birthday dinner party at the home of Mr. and Mrs. Ray White, Bannockburn.

On Saturday evening, Rawdon AOTS Men's Club held their annual Ladies' Night in the Church Hall with 106 in attendance. Carmel U.C.W. catered and the guest speaker was Mr. Ross Adams, Consecration, Chairman of Belleville Presbytery AOTS Clubs.

Mr. and Mrs. Raymond McConnell attended the funeral of her aunt, Mrs. Percy McCoy, at Campbellford, on Monday.

Several ladies from here attended the Christmas Fair and Dessert Tea at St. Andrews Presbyterian Church last Thursday.

On Friday Messrs. Clarence Scott and Will Jeffs were in charge of the hall for the municipal election. The vote was Beckett 77, Morton 68, Clancy 114, Johnston 93, Watson 80, Shortt 62, Bailey 43, Sutherland 109, Spencer 75 and Fargy 26.

**To The Electors of
Rawdon Township:**

I wish to express my sincere thanks to all those who by their vote and influence contributed to my re-election to the Rawdon Township Public School Area Board on Friday, December 3rd.

As in the past I will continue to do my utmost to merit the confidence you have placed in me.

C of C and Rotary Club Hear Address On Area Planning

At a joint dinner meeting of the Rotary Club and the Chamber of Commerce at the "Sterling" Hotel, on Tuesday night, Mr. John Beavis, Planning Director of the Belleville and Suburban Planning Board, was the guest speaker.

Mr. Beavis explained that the definition of a Planning Board was "making most uses of resources for the benefit of the majority of people". He pointed out that planning should include sewerage, prevention of water

pollution and an available supply of fresh water.

In answer to the question, "How does a community plan?", he noted that legislation is available to establish a planning area and Board. The duties of the Board would be to make the public aware of the problems, employ technical assistance, set up zoning and building by-laws. The Board would be in an advisory capacity only and would make recommendations to Village Council.

Mr. Beavis remarked that the greatest enemy of planning was the high standard of living which we enjoy, and that people were not interested in planning their communities until it was too late.

He urged his listeners to take a look into the future. He visualized that Stirling would double its population within the next twenty years.

The speaker was introduced by Reeve D. W. Rodgers and thanked by Les Rawlings, President Chamber of Commerce.

Entered Into Rest

FREDERICK MCKEOWN

Fred McKeown died at his home on Wednesday, December 1st, following a lengthy illness at the age of 74.

He was a son of the late William McKeown and Sarah Eastwood. He was born at Bonarlaw, 12th concession of Rawdon, where he attended school and lived on the homestead until his retirement, when he moved to Spring Brook to reside.

He is survived by his wife, the former Alzina Morton, and four sons, Leslie McKeown, of Marmora; Donald McKeown, of Foxboro; Melville McKeown, of Campbellford; and Carl of Victoria, B.C., and three sisters, Mrs. W. Morrow, Peterborough; Mrs. W. Irwin, Campbellford, and Mrs. Kathleen Walsh, Toronto, and three brothers, Thomas, of Spring Brook; Edward, of Bethel, and Alfred, of Vancouver, and thirteen grandchildren.

Mr. McKeown rested at the Howden Funeral Home, at Marmora. Service was in Spring Brook United Church on Friday. Mr. Apps conducted the service. Pallbearers were Reg. McKeown, Clarence Thompson, Garland Irwin, Arthur Reid, Morton Reid and Glen Morton and flower bearers were Jim Morton, Ted Hailstone, Walter Reid and Fred Thompson.

River Valley W.I. Euchre Party

On Friday, December 3rd, River Valley Women's Institute sponsored a euchre party at the School House with sixteen tables in play. The convener was Mrs. John Kane, Mrs. Ernest Carr and Mrs. Sheldon McIntosh, with eight other members in attendance and several assistants.

Mrs. Glenn Bush, president, welcomed the group and announced another party the first Friday evening in January, 1966.

Approximately twenty visitors were in attendance from Stirling, Frankford, Mount Pleasant and Marsh Hill and the proceeds were over twenty-four dollars.

The prizes and coffee were donated by Mrs. John Kane, Mrs. S. McIntosh, Mrs. George Heasman, Mrs. Morley Richardson and Mr. and Mrs. Ed. Kent.

"Happy Birthday" was sung for Mrs. Norman Weese, of Frankford. Mrs. Carr and Mrs. McIntosh awarded the prizes as follows:

Ladies' high, Miss Trudy Bush; second, Mrs. Claude Tucker; high, Ed. Kent; second, Miss Eleanor Bush (playing on a man's card); Most lone hands, Arthur Osterhout, Frankford; Door prize, Mrs. Paul Appleby, Stirling.

Refreshments were served and a social half hour enjoyed.

Stirling Public Library Board Met

The Stirling Public Library Board met on December 1st in the library. The following members were present: Mrs. D. Patterson, chairman; Mrs. B. Glendinning, treasurer; Mrs. G. W. Bailey, Mrs. D. Williams and Mr. W. Camm.

The minutes of the previous meeting were read and approved. The fol-

lowing accounts were passed for payment: Ryerson Press, \$67.92; Encyclopedia Britannica, \$18.92. It was moved by Mrs. Bailey and seconded by Mrs. Williams that the treasurer pay any outstanding accounts due before the end of the year. The treasurer's report showed a balance of \$915.67.

The monthly circulation and desk receipts reports were given by the librarian, a total of 1165 books having been read in November.

Mrs. Bailey gave a report on the recent Library Trustee's Workshop held in Peterborough, which she and Mrs. Patterson had attended. The feature of the workshop was the County Library of Middlesex County, its growing pains and its very successful acceptance by the reading public of that county, who are dismayed and excited by the increased services such a system can give in co-operation with the smaller public libraries.

After discussion on future library plans, the meeting was adjourned to meet again on January 25th, 1966.

BELL LINES

by C. H. Buckley

THE BLACKOUT AND THE TELEPHONE

Recently in this column I explained how it is that the telephone continues to work in the event of a power failure — that our exchanges all have reserve power in case of emergency. I was, of course, thinking of a limited local failure, and not at all of the power failure last month from southern Ontario to the Atlantic seaboard. Yet the result, as far as telephone service was concerned, was the same — all Bell exchanges where the power cutoff occurred immediately switched to their standby power, and telephones kept on working.

This was certainly important in averting uncertainty and panic and, with family members able to keep in touch, turned the blackout into an adventure for many. Yet, perhaps even more important was the role the telephone played in helping the power companies restore their service.

With generating stations, transformers, switching systems and control centres located tens and even hundreds of miles apart, you can well imagine the physical impossibility of getting all the units to work together in harmony without being able to communicate from one to another. If telephone service had broken down as well, who knows how many days or weeks it might have taken to co-ordinate the restoral of electric power? It would probably have been necessary to resort to radio communications, but even this would have been extremely difficult without the telephone. For example, how would you get out the directives to set up radio systems?

This expedient was not necessary because the Company maintains standby power at all the power commission's generating and transformer locations, area offices and switching centres. This reserve power went into use immediately to provide the communications necessary for Ontario Hydro to restore regular power. And of course, once the regular power was restored, it took over from the batteries to "feed" the telephone system just as it usually does, 24 hours a day. The interdependence of power and communications utilities was shown very clearly.

In Memoriam

PERCIVAL — In loving memory of our dear Mother who passed away December 27th, 1964.

The depths of sorrow we cannot tell, Of the loss of one who we loved so well.

And while she sleeps a peaceful sleep, Her memory we shall always keep, We miss her and mourn her, In sorrow unseen.

We dwell on the memories Of the days that have been, A heartache, a tear, a memory so dear.

Each day of our lives, dear Mama, We wish you were here.

— Lovingly remembered by daughter, Mae and Harry.

PERCIVAL — In loving memory of a dear friend, Mrs. Nellie Percival, who died December 27th, 1964.

What would we give to clasp her hand, Her happy face to see.

To hear her voice and see her smile That meant so much to us.

— Always remembered by Everett and Mary Cooke.

WANAMAKER — In loving memory of a dear Mother, Grandmother and Great-Grandmother, Mrs. Edward (Minnie May) Wanamaker, who left us suddenly December 14th, 1963.

Gone, Dear Mother, gone forever, How we miss your smiling face, But you left us to remember, none on earth can take your place.

A happy home our family once enjoyed, How deep that memory still.

But death sure left a loneliness This world can never fill.

Sadly missed by son, Ernie, Minnie, Doug, Mary and Granddaughters.

He is survived by his wife, the former Grace Irwin; two sons, Donald, with the World Student Christian Movement in Geneva, Switzerland, and O.P.P. Constable J. Glenwood Wilson, of Wasaga Beach; a brother, W. Lorne Wilson, of Stirling, and two sisters, Mrs. Mabel Vice, of Oshawa, and Mrs. Christine Dunn, of Bowmanville. Two sisters, Mrs. Lily Reid and Mrs. Arthur (Stella) Langdon, predeceased him.

hoe Standard Church gave the special message. Rev. Rupert Walsh, pastor of Frankford Free Methodist Church, contributed a vocal selection. Brief messages were given by Rev. R. Presbyterian Women

The December meeting of the Presbyterian Women was held at the home of Mrs. L. Rawlings. This meeting was in charge of the executive and the theme was "Peace".

Mrs. B. Cook welcomed all with a Christmas message and offered prayer. Mrs. B. Cook and Mrs. R. Eggleston gave a responsive reading on the Christmas Story. The Scripture Lesson was from Luke 2, verses 8-20 and

was read by Miss G. Spry. Mrs. Don Farrey gave the meditation. Mrs. Jas. Johnston led in a prayer for peace, after which Mrs. B. Cook gave a paper on "What Shall I Give To The God Who Has Everything?" During the business portion of the meeting, Mrs. L. Rawlings reported on the success of the Christmas Fair. The ladies decided to pack baskets of treats for the sick and shut-ins at the home of Mrs. R. Cooke on December 15th.

A closing reading, "A Declaration of Faith at Christmas", was given by Mrs. E. Fox.

The meeting closed with the Benediction. A lunch of sandwiches, Christmas Cake and tea was served. Mrs. L. Munro voiced appreciation to all who had helped with the meeting.

Public Speaking Contest

This contest, which goes from Branch level to Zone, to District, and concludes with the Provincial Finals is to be continued for the year 1966. Stirling W.I.

The Christmas meeting of the Stirling W.I. was well attended and held at the home of Mrs. W. C. West on Wednesday afternoon.

Mrs. F. Smith chaired the meeting and Mrs. A. Wannamaker acted as secretary, calling the roll by each contributing a gift of a toy for Scott Mission children.

Mrs. Smith and Mrs. Aythart each gave an interesting account of the Trent Valley Area Convention.

Mrs. Earl Luery gave the history of the new Bata International Centre at Don Mills, Ont.

Readings were given by Mrs. D. Luery, Mrs. E. Foster and Mrs. Smith.

The meeting closed with The Queen.

Lunch was served with Mrs. Earl Luery expressing thanks.

New Books At Public Library

To add to your holiday pleasure this Christmas season, many new and interesting titles are awaiting you at the Stirling Public Library.

For the younger readers the following list provides variety: "Parakeets"; by Zim; "Poems of Magic and Spells"; by Russell; "The Sugar-Mouse Cake"; "Fifteen"; by Beverly Cleary; "Teen-Age Dance Book".

For adult readers of non-fiction, these titles are really good: "The Silent Sky"; by Eckert; "Laugh Day"; by Bennett Cerf; "The Secret Islands"; by Russell; the much-heralded "Markings"; personal diary of Dag Hammarskjöld; "Intern"; by Dr. X; "Canvas and Stream on Quinte Waters"; by Willis Metcalfe of Prince Edward County; and to the people who remember the Thorwald's "Century of the Surgeon", a new book by this author tells the history of the detective, "The Century of The Detective".

A few non-fiction books in paperback have been purchased, primarily for assistance to High School students, but a couple of these titles could interest the general reading public: "Parents' Guide to Better Baby-Sitting"; "How to Know Minerals and Rocks"; "Mathematics For Parents"; "Snakes of the World".

New fiction books by authors whom you have enjoyed before are high on our list of "most-often read" books: "The Man"; by Irving Wallace; "The Looking-Glass War"; by John Le Carre; "Night of Camp David"; by Fletcher Knebel; "Man With The Golden Gun"; by Ian Fleming; "The Source"; by Phyllis Whitney; "Irving Stone's 'Those Who Love'"; "My Sweet Charlie"; by David Westheimer, author of "Von Ryan's Express"; and five new thrillers, "Death By Inches"; "Royal Flush"; "The Man In The Mirror"; "The Third Side of The Coin"; and "The Whip Hand".

The loan-service from our source libraries has been unusually busy filling requests for material not available in this library. This service is free and usually a week will see your request ready for your use.

Tuck a gift membership into your Christmas card and start a friend off on a year of reading pleasure.

Christmas Joy

A star was seen in the darkened sky Above the manger where the baby lie And all that knew were filled with joy At the birth of the little Holy Boy, While voices of the angels rang Through the night as they softly sang.

The Virgin Mary and Joseph stayed There in the stable where Jesus laid, And while the Baby there did sleep The angels their constant watch did keep; But in the Babe's heart there was no fear Nor showed He any drop of tear.

To-day our Christmas is spent with joy Over each new and little toy, No anger or sorrow is then ever told, While night over us does slowly unfold, And each new year is just the same, Bringing joy to Jesus' name.

REV. R. DONNAN ACCEPTS CALL

It was with a great deal of regret that the residents of Stirling and district learned this week that Rev. Robert Donnan, minister of Good Tidings Pentecostal Church, had accepted a call to the pastorate at Edwards, Ont., 16 miles south of Ottawa. The transfer will take place the middle of January.

Rev. Donnan has been minister of the Pentecostal Church here for the past eight years. During this time, he was instrumental in the erection of a fine new church in the western section of town in 1962. During his pastorate, the congregation has seen a steady increase in growth.

Rev. Donnan is married and has one young son, Allan. Mr. and Mrs. Donnan will be greatly missed in the community and their many friends, while they regret their departure, will join in wishing them continued success in their new field of labour.

Rev. Donnan will be preaching his farewell sermon on Sunday, January 16th.

CAROL SERVICE AT ST. JOHN'S

On Sunday night, a large congregation filled St. John's Church for their annual service of the Nine Lessons. This Carol Service was first performed in King's College Chapel, Cambridge, and has in recent years, become popular in Anglican Churches all over the world.

The Christmas Carols, Scripture readings, tracing the story of the incarnation from the beginning, and the candlelight processions have become a much appreciated part of Christmas at St. John's. The Christmas hymns and carols sung by the congregation and choir were under the direction of James Morrow.

The lessons were read by members of the Choir, Servers Guild, the congregation and the Clergy of the community. Those reading the Lessons were:

Danny Beith, Jeff Mouck, Frank Harding, Fred Houchin, Rev. W. C. Cox, Rawdon United Church Circuit; Rev. J. B. Small, St. Paul's United; Rev. Father J. F. McGarvey, St. James the Minor; Rev. F. A. Crook, Assistant at St. John's, and Rev. F. F. Downing, Rector of St. John's.

Over Five Hundred Children Greeted Santa Here On Saturday Afternoon

Santa Claus has come and gone for another year, as far as the Community Christmas Tree is concerned, for some five hundred boys and girls of Stirling and community who took part in the annual event held here on Saturday afternoon. Santa came as the guest of the Business Section of the Chamber of Commerce and was given a rousing welcome by the large crowd assembled.

The weather was ideal for the event. Some five hundred bags, containing candy and oranges were distributed and the youngsters were well-pleased with the way Santa treated them.

Santa arrived in the old fire truck at the Dairy Lot where a large Christmas tree had been erected. Here a brief stop was made while Santa and his assistants distributed the bags to the children.

Free Skating

Following Santa's visit, free skating was offered the boys and girls at the Arena, courtesy of the Arena Board. While the children were enjoying themselves skating, the parents were left free to do their Christmas shopping, and the local merchants report business as being very good.

The event was very successful and the committee in charge deserve every praise and are thankful to all who contributed to its success.

Driver Examinations May Now Be Taken In Stirling

Travelling Centre Set Up Here By The Ontario Department of Transport

It is no longer necessary for people from Stirling and neighbouring districts to travel to the Driver Examination Centre in Trenton for licence testing. A travelling centre has been set up in Stirling by the Ontario Department of Transport and driver examinations may be taken right here.

With the convenience of would-be drivers in mind, the Transport Department has instituted a program of travelling centres, to take tests to drivers instead of making drivers travel to an outside centre for their tests.

The travelling examination centre operates in Stirling every second Tuesday. One was held yesterday, December 21st, and the next one will be held on Tuesday, January 4th.

Testing is done from the local Motor Vehicle Licensing Office, 166 North Street, and appointments for tests should be made in person in advance at Stirling Lumber Ltd. Office.

The travelling centre in Stirling is serviced from the permanent Driver Examination Centre in Trenton which also looks after a travelling centre in Brighton.

Until recently, the Trenton centre was also on a travelling basis, serviced by the Belleville permanent centre. But, last September, a permanent centre was established in Trenton.

There are now 51 permanent Driver Examination Centres in Ontario and 102 travel points.

(Mrs. Lorne Reid)

(Held Over)

Sympathy of the community goes out to Mrs. Foster Wilson in the death of her husband. Mrs. Wilson taught school at Turner's a number of years.

Mr. and Mrs. Hector Massey, Toronto, spent the supper hour with Mr. and Mrs. Lorne Reid and called on friends in the community.

Mr. and Mrs. Floyd McInnes attended a banquet at the Northern Electric plant.

Miss Marilyn Demille entertained a number of young people on Sunday who helped with the church service at Sidney Baptist and Emanuel Church, Belleville.

Sunday visitors of Mr. and Mrs. Lorne Reid were Mr. and Mrs. Walter Morrow, Frankford; Mr. and Mrs. Jack Kent, Toronto; Mrs. Mahel Green and Mrs. Florence Johnston, also of Toronto.

A number of ladies spent the afternoon with Mrs. Beatrice Reid before she left for Edmonton for the winter with her daughter and family. Mr. and Mrs. Neal Eastman, Belleville, spent Sunday with Mr. and Mrs. Bob Pond.

Sorry to report that Mr. Emory Demille was taken to Belleville Hospital on Sunday night and all wish him a speedy recovery.

December Meeting
St. Mark's W.A.

The December meeting of St. Mark's W.A., Bonarlaw, was held at the home of the president, Mrs. Barlow with fourteen present. Mr. Stew-

art opened the meeting with the Advent and W.A. prayers and Mrs. Edwards read the portion of Scripture assigned.

The roll call was to be answered by a gift for an underprivileged child and the material will be in the bale to the Mackay School in time for Christmas.

A comparatively full account of finances from the treasurer followed. The net proceeds from the turkey supper and bazaar were most gratifying as were the net proceeds from the clergymen and Warden's banquet.

The deanery president, Mrs. Barlow, attended two executive diocesan meetings, one in Kingston and the other at St. Margaret's-on-the-Hill Church, Belleville.

She also reported that the Little Helper's name has been changed to the Department of Family Life. She was impressed by the financial results of this little group for the whole diocese. It was the same with the Extra-Cent-a-Day Fund. The call for assistance to needy clergy in the mission field was favorably received and answered. Mr. Stewart thanked the W.A. for their co-operation and closed the meeting. He was also in charge of the programme which followed.

All enjoyed the most interesting and informative talk on the broader outlook on education which told of an undertaking in Saskatchewan, headed by a Mr. Bicroft. The effort to attain honour marks should not be the main goal for a student, but should be made more sympathetic and understanding to many modes of life.

The hostesses, Mrs. Barlow and Mrs. Woodbeck, served a delicious lunch and a social half hour was enjoyed.

IT'S THAT TIME AGAIN!

Sick of Christmas?

Bored and nauseated by all the pre-Christmas advertising?

Are the carols jangling your nerves?

These questions shouldn't shock anyone. It's common to hear people associate the words sick, boredom, nausea and nervousness with Christmas. What a pity that what should be the happiest festival in the world is all too often branded a nightmare.

What is unfortunate, of course, is that the people who complain most about Christmas have lost touch with its meaning. They've given in to the sales pitches and all the hard work mothers and wives usually go to for a few hours of what they dare to call "pleasantness" on Christmas Day. For a few weeks both before and after Christmas, they wish there was no such thing. But for a fleeting hour or two on December 25th, they try to rejoice.

But how much can a person rejoice if he doesn't know why he's rejoicing? Some people make a sham of being happy Christmas Day simply because they think it's expected of them. Others truly rejoice because despite the hard-sell lines that characterize the season, they have been able to retain the meaning of Christmas.

Those who say they loathe the coming of Christmas might find solace in the possibility that the Child born that first Christmas also may have heard the raucous bawling of salesmen peddling their wares in and around the Inn while the sheep and oxen and donkeys in the stable serenaded Him with their sounds. That Child was born into a worse age than this one, regardless of our Viet Nams, Rhodesias and Kashmirs.

Many people say that it was because of Him that ours is a better world today. And it also has been said that perhaps another child — maybe yours — will grow up and change the course of history by fulfilling that Child's dearest dream: "That you might have life, and have it more abundantly."

Do You Remember?

— TWENTY-FIVE YEARS AGO —

WEEK DECEMBER 19th, 1940

Due to the heavy snowstorms on Friday, Saturday and Wednesday, many of the side roads in this district are practically blocked to motor traffic.

During the month of November, 811 adult and 345 juvenile books were in

circulation at the Stirling Public Library, according to Librarian G. L. Clute.

Stirling Arena opened this week with a good sheet of ice. Caretaker is Conley Ackers.

Mr. Bob Patterson was installed as President of the Community Welfare Club at their ladies' night meeting on Tuesday night.

Due to the lack of representation at a meeting held in Campbellford this week, it was decided not to form a Trent Valley Hockey League this season.

An Appreciation

A very special "thank you" to the workers and supporters of the VOTE "YES" COMMITTEE in the plebiscite held on Monday, December 13th. The result would not have been so conclusive had it not been for the fine support received in donations, cars provided and ready assistance in every phase of the campaign.

St. James CWL

The members of the Catholic Women's League held their Christmas party and meeting on December 16th. The meeting opened with prayer, followed by the reading of the minutes and a number of reports and directives from diocesan convenors.

Mrs. Meeks reported on preparations made for Christmas gifts to the Sunday School children. A proposal that the League cater to the Father and Son Banquet for the Boy Scouts, in February, was discussed and approved.

A donation was given to the Director to help defray parish expenses.

Discussion ranged over a number of subjects, including religious papers and the spiritual content of meetings.

Following a piano rendition of the carol, "Angels We Have Heard on High", played by Jean Donohoe, a number of readings were given, including a "Meditation on Christmas", by Pope John XXIII, read by Mrs. J. R. Donohoe; "A Christmas Pledge", read by Mrs. Burley; and Mrs. Forestell on "Hark the Herald Angels Sing". Mrs. Ryan read a graphic account of the selection of a Christmas tree. A game of wits followed on the subject of Christmas songs and carols, and was won by Mrs. Gerald Kerby.

The meeting closed with prayer and blessing by the Director.

The group then sat down to a lovely lunch prepared by Mrs. J. R. Donohoe, with the assistance of her daughters and Mrs. Forestell and Mrs. S. Meeks. Gifts were exchanged and the evening concluded with members wishing each other a Merry Christmas.

Wm. Morton Sr. and Bob were supper and evening guests of Mr. and Mrs. Ellis Jones on Tuesday.

Jimmie Gray, of Hanover, spent the week-end here with his parents, Mr. and Mrs. Jim Gray Sr.

Mrs. Chris Bateman, Spring Brook, was a recent visitor of Mrs. Essie Reid.

Lynne Spencer was an overnight guest with her grandmother, Mrs. Clara Lisle, Stanwood, on Friday.

Peterborough, spent the week-end with her parents, Mr. and Mrs. Wilfred Spencer.

Mrs. Frank Osborne, Petherick's Corners, was an overnight guest of her sister, Mrs. Jim Gray, her husband and family.

The timely application of sand on the township and county roads here allowed both public and high school pupils to get to their classes Monday in spite of the severe ice storm.

The Candlelight Service in Spring Brook United Church in which some of our young people were to take part was postponed from Sunday night to Christmas Eve, on account of the bad weather and roads.

Roy Petherick and sons Danny and Bob, of Belleville, visited his parents, Mr. and Mrs. Fred Petherick on Saturday.

West Huntingdon

(Mrs. Harold Thompson)

Mr. Vincent McFarlane, of Vancouver, B.C., visited his cousins, Mr. and Mrs. Morley Haggerty, last week end.

Mr. and Mrs. David Fargey, Nancy and James, were supper guests on Sunday evening of Mr. and Mrs. Ross Ketcheson.

Mr. and Mrs. Mac Sables were supper guests of Mr. and Mrs. Creighton Johnston on Sunday night.

Mr. and Mrs. Howard Cooke were dinner guests of Mr. and Mrs. Albert Cooke on Sunday.

Mr. and Mrs. Gordon Donnan, Mr. and Mrs. David Fargey and Mr. Goldie McInroy attended a turkey dinner at the home of Mr. and Mrs. Elvin Holland on Wednesday evening with other members of Huntingdon Township School Area Board.

St. Andrew's Club Christmas Party

St. Andrew's Club held their annual Christmas party in the Sunday School rooms on Friday evening when their families and the church members were in attendance. Mrs. David Fargey, President, was in charge and several Christmas carols were sung. Tommy Hassall gave a welcome recitation.

The Explorers and their leaders, Mrs. R. Sills and Mrs. L. Sills, conducted the worship service and also presented a tableau of the Christmas Story. Patsy Benson and Janet Donnan gave musical numbers; Margaret Sills, Cheryl Haggerty, Susan, Sharon and Sandra Adams, Eddie and James Thompson sang Christmas songs; Russell Donnan, Ronnie Sills, Barbara Hassall, Cindy Reid, Susan Adams and Glen Thompson each gave a recitation. The girls of the Club presented a comedy drama. Santa Claus arrived and distributed the gifts and treats for the children.

Lunch was served by the Club members and a social time was enjoyed.

THE BIBLE TODAY

The following extract from a letter written recently by Miss K. L. Holmes-Libbis of the Bible Societies in the Congo, reveals something of the situation in that country:

"There seems to be a new spirit and new life in Congo recently, and plans are going ahead in the Protestant missions.

"Although every church is packed to overflowing for every service, it is estimated that at least 90 per cent of the population is unevangelised. What a breathtaking challenge! If only the Scriptures could be produced more quickly! We just can't keep a Lingala Testament or Tshiluba Bible in stock!

"Unfortunately, the Tshiluba Bible took seven months to reach the Congo from the time it left the printers, but it has shown us how desperately these people who have suffered so much want God's Word."

Suggested Daily Bible Readings

Monday — John 1: 19-34
Tuesday — John 1: 35-51

Bethel UCW

The ladies of Bethel U.C.W. met in the afternoon of December 18th, at the home of Mrs. Wm. Heath. The President, Mrs. Don Heath, opened the meeting with the Call to Worship. The hymn "From All That Dwell Below the Skies", was followed by the hymn, "God Be In My Head," read in unison as a prayer. Fifteen members and visitors answered the roll call, by naming their favourite Christmas carol.

Plans were made for catering to a forthcoming wedding. The treasurer, Mrs. T. Laycock, was unable to give a full financial report as all the receipts were not on hand.

Mrs. W. C. Cox was in charge of the Devotional Service and program. This opened with "Silent Night, Holy Night". Mrs. D. Heath and Mrs. W. Heath assisted Mrs. Cox in a pantomime, based on the Scripture taken from the Gospel of St. Luke, chapter 2. Mrs. H. Elliott accompanied on the piano, while all present joined in singing parts of several Christmas hymns. Mrs. Elliott gave a piano solo, "Star of the East" and Mrs. Cox sang, as a solo, "Show Someone Else the Way." Following the meditation on the theme, "Three Wise Men Were Prepared", the offering was received and dedicated.

The meeting closed with prayer. While lunch was being prepared, all joined in singing their favourite Christmas carols. Mrs. Marvin Cooney moved a vote of thanks to the hostess and all those who took part in the meeting.

Salem UCW

The Christmas meeting of Salem UCW was held Thursday evening at the home of Mrs. Mel Wickens with a splendid attendance of members and visitors.

Mrs. Thompson opened the meeting with Christmas scriptural verses, followed with prayer. The President thanked the hostess and extended a welcome to all. Roll call was answered by an exchange of gifts. "Happy Birthday" was sung for Mrs. L. Tanner.

Mrs. Leafa Heagle presented the slate of officers for next year. Mrs. George Sine presented the Treasurer's report. Mrs. Harold Holden reported for the Parsonage Board and also for the Flower Fund. Mrs. Orval Jackson reported cards sent to sick and shut-ins.

The President announced the rental of the Church Hall for Christmas Day; also the U.C.W. Annual to be held in Bridge Street Church, Belleville, January 25th and 26th and appointed Mrs. Mel Wickens and Mrs. Harold Holden as a committee in regard to presenting a cook book. A card was signed by all to be sent to Mrs. Ella Donald who is spending the winter in Toronto with her daughter and family. Mrs. Harold Holden will be hostess for the January meeting with Mrs. Leafa Heagle and Mrs. Frank McGee as programme conveners.

Mrs. Harold Holden presided over the programme, opening with a scriptural reading and prayer. A Christmas carol was sung. Mrs. Murney Johnston read the Christmas story with Mrs. Holden giving the meditation, followed by prayer.

Following another carol, readings were given by Mrs. Everett Sine, Mrs. Tom Clements, Mrs. Ivan Saries, Mrs. Lorne Hagerman and Mrs. Fred Lebow. Mrs. George Sine and Mrs. R. Donnan, of Stirling, sang "The Rugged Cross of Calvary" with Mrs. Donnan playing the accompaniment on her accordion. She also favoured with an accordion solo, "Star of the East." These selections were enjoyed very much.

Mrs. Frank McGee gave a very timely topic entitled, "The Christ of Bethlehem." Mrs. Tom Clements expressed appreciation to the hostess and thanked all who took part in the programme. A carol and the benediction closed the meeting.

A lovely lunch was served by Mrs. Wickens and her assistants.

Tweed Paper Subject Of T.V. Program

The village of Tweed will be featured on the weekly CBC program "Country Calendar", from 1.30 to 2.00 p.m., Sunday, December 26th, if everything goes according to present plans. Most district viewers will find the program on Channel 11, CKWS-TV Kingston, or Channel 12, CHEX-TV, Peterborough.

The plot of the thirty-minute story is based on the relationship of a weekly newspaper and the community it serves. In this case, The Tweed News. From Monday morning until Wednesday evening, the producers and technicians attempted to record the type, proof reading, composition of the pages and finally the printing and mailing of the finished newspaper.

Feature items included in the script, were the monthly directors' meeting of the Chamber of Commerce, the counting of ballots following the election in the neighbouring townships of Elzevir and Grims-thorpe, and scenes taken around the village of Tweed.

Spring Brook Local 171 Ont. Farmer's Union

Miss Judy Cosbey and Brian Cosbey gave musical numbers.

The lucky door prizes were won by Mrs. Wesley Finch and Mr. Tipper.

Reeve Donald W. Rodgers Outlines Activities of Year In Village

Dear Sir:

May I, through your newspaper, pass on a few observations and comments to the citizens of our Village.

We find in reviewing the past year, the Council of your Village lowered the mill rate by 4 mills. This was not entirely an accomplishment on the part of the present Council, but should be credited to the foresight of past Councils. There had been a sum of money accumulating in the Water Department of our Public Utilities and a considerable portion of this was passed back to the Village, enabling us to lower the levy. Our water works debentures are paid; thus there may be a small surplus accrue each year if rising costs do not use up the accumulation.

Our Village, I have found by comparing with other urban centres in Hastings County, is in better circumstances than most of them. Sure, we have debenture debt and probably always will have, but we have more on the credit side, too. This, again I say, is due to the benefits of sound judgments rendered in our favour in the past. Councils now, and in the future, must strive to continue to provide and maintain equally good judgment so this may continue to be always thus.

We should end the year with a balanced budget. Next year — 1966, we hope to be able to maintain the mill rate at its present level. It will not be lowered, I predict now. In order to maintain our present levy, we will need careful budgeting by all departments early in the year and to have these budgets maintained — certainly not exceeded. Mill rates in the immediate future are bound to rise, if not in 1966.

The County of Hastings is, jointly with the City of Belleville, building an addition to the hospital. Cost is in excess of \$8,000,000.00. Net cost annually is about \$100,000.00 County share or 3 mills. Jointly, with Prince Edward, Lennox & Addington and Frontenac, a new Detention Centre is to be built with cost in excess of \$1 millions.

A new 100-bed Home for the Aged is to be built at Bancroft, with a 50-bed addition to Hastings Manor in Belleville. Cost is not yet determined but estimated at approximately \$1 millions — net cost about 1 mill, (after government grants) to carry.

The formation of a County Health Unit has been approved of working agreements can be arranged with the City of Belleville; net cost about 1 mill.

School or Education costs may not be higher in 1966 locally, but it is inevitable that they will increase in the future.

years mill rates will steadily increase.

You may ask how we can bear this. Locally, we must have annual assessment growth to offset these added costs. It will need the concentrated efforts of all of us to promote our town. We must sell to new homeowners, commercial establishments or industry, the desire to build locally. At the County level, we must take a hard look at our potential growth, too. It is very small or non-existent in most rural areas, except the very southern townships. Our urban centers are growing, but slowly. Most of our anticipated growth will be near the larger centres (Belleville and Trenton areas). I personally believe (and this may not be shared by all County Councillors, but I am by no means alone) that we should work towards the abandonment of the County Road system. In the past, there have been many reasons in its favour, but I feel these are gradually disappearing. Our sole source of revenue to maintain roads is from tax levy and government grants. The provincial governments have access to all gasoline and other licence revenue, so should necessarily pay the bill for the major arteries, leaving the local municipalities to maintain only the roads within their jurisdiction and as now maintained by local levies.

In Stirling, for next year, we are planning an extension to our sewerage system. It is estimated that the tax levy for this will be 4 mills; however this should very quickly be reduced as the service is utilized. Your Council deemed this expansion necessary and the local demand left us little alternative. It is rather discouraging to both Councils and taxpayers to pay levies that do not benefit us locally. Our water, sewerage system, hydro and streets are something more personal and we can readily appreciate the benefits of these services.

In closing, may I say that I have felt honoured to serve as your Reeve this past year. I sincerely appreciate the help and interest of many local citizens who are striving to make our Village just a little better each year. If each shares the load, much can be done without a great burden to anyone. I can only add that in 1966, I will endeavour (and feel this applies to all elected or appointed officials or employees) to give you my best effort on your behalf.

May 1966 bring you nothing but health and happiness.

Yours very truly,

DONALD W. RODGERS, Reeve of the Village of Stirling.

Anti-Gambling Squad Closes Legion Draw At Marmora

Marmora Branch No. 237 of the Canadian Legion were the recipients of an unexpected visit from the Anti-Gambling Squad of the Provincial Police in Toronto, who said a complaint had been made to them on the operation of the Draw.

Branch 237 was ordered to close down their 50-50 draw immediately.

One would wonder just what the Provincial Police or the Attorney General's Department in Toronto consider gambling or illegal events or draws these days. It seems that Bingos at the C.N.E. or other big exhibitions are nothing but out and out gambling, as they are not sponsored by any service organization, or does the money spent there go to any worthwhile community cause.

Marmora Branch 237 of the Canadian Legion is responsible for the building of our fine concession stand

and change rooms at the Legion Swimming Pool.

We have been informed by the heads of the Marmora Legion that they have contributed anywhere from \$300.00 to \$600.00 towards Christmas activities in Marmora each year, making these activities a real success and one which we are all proud of. However, due to the cancellation of the 50-50 Draw by the Anti-Gambling Squad, they may be forced to discontinue this excellent public service for Marmora and district.

Everyone in Marmora and community is well aware of the excellent work carried out by Branch 237 and it certainly seems like small potatoes when organizations who contribute money raised to their own projects of community betterment are closed.

We are well aware of the fact that Bingos and Draws have been closed in other communities but somehow or other it appears that others (some running Bingos and Draws which amount anywhere from the high hundreds to thousands of dollars), are operating in larger communities just a few miles from Marmora.

Let's be fair. Either close all the Bingos and 50-50 draws or leave them alone.

DO YOU KEEP YOUR NEW YEAR'S RESOLUTIONS?

It's almost time to delude ourselves again with our New Year's resolutions. It would be interesting to learn just how many people actually do keep their New Year's resolutions, wouldn't it?

But then, it also would be interesting to learn how many people make worthwhile resolutions. Too often, many of them are trivial, so trivial that we don't really intend to try to keep them. We can't even fool ourselves. But that's life. We're always trying to fool ourselves.

What are you going to resolve to do in 1966? Quit smoking? Quit drinking? Quit burning the candle at both ends? Quit over-eating right after the New Year's feast?

Before you engage yourself in a battle of wits again, why not sit back and really think? As individuals, humans are not noted for their desire to make serious use of their brains. Kids in school want to be spoon-fed, instead of thinking things out for themselves; workers in the office want to do only that which is expected of them and little if anything more. These two common examples could be multiplied, but let's not paint ourselves too black. We all have the ability to think.

Every one the world over applauded John F. Kennedy when he said, "Ask not what your country can do for you; rather ask what you can do for your country." Everyone applauded because he spoke to mankind's finer instincts.

Everyone is a potential revolutionary in that given the incentive and the will he could change the world for the better, no matter how small and insignificant his contribution seems at the time. It's a bunch of little good deeds done frequently by a lot of people that make life more pleasant and worthwhile.

Each of us is a potential miniature messiah to someone. It just takes a little imaginative thinking to figure out what contribution each of us can make. None is doing his best.

Before 1966 rolls around, why doesn't each one of us go off for a little while and do some serious thinking about what he or she could do for others in the new year? Let's not make resolutions that centre on self. They usually fail anyway.

Christmas Meeting UCW Unit 4 St. Paul's

The Christmas meeting of Unit 4 of St. Paul's U.C.W. took the form of a pot-luck dinner on Tuesday, December 14th. The tables were bright with Christmas candles and approximately twenty-five ladies sat down.

At two o'clock the meeting came to order. Mrs. Wells read a poem, "There'll Always Be a Christmas", followed by prayer. She welcomed the ladies present and thanked all who had given her their loyal support during the year.

Mrs. Chas. Davidson was in charge of the devotional period. Miss Mid-

red White read the Scripture lesson, from Luke 2: 1-20, with commentary by Mrs. Davidson. Candles, each having special significance were lit by Miss White, Mrs. Hough, Mrs. Rose and Mrs. Waite. The offering was gathered and dedicated.

Mrs. Wells resumed the chair for business. Christmas hymns were used throughout the meeting. A reading, entitled "The Shepherds' Gifts," was given by Mrs. Mulhern. Six ladies put on a skit "Gifts That Money Cannot Buy". Prayer, followed by a Christmas Benediction, closed this very interesting meeting.

The Meaning of Christmas

When I was just a little girl
Christmas meant to me
That there would be some candy
canes
Upon the Christmas tree.

But Mother sat me down to say
The honest meaning of Christmas
Day,
Christmas means one special thing,
The famous birth of Christ our King.

She told me of the stars so bright,
That shone o'er shepherds in the
night,
She told me of the Wise Men three,
Who brought him treasures faith-
fully.

In that town of Bethlehem,
That is known to all of men,
Born was the Christ, our King,
That is what the angels sing.

Christmas Joy

Oh! That star shone so bright
When the Christ Child was born that
night.
In the manger there he laid,
Mary, Joseph with Him stayed.

Oh! That star shone so bright
While the shepherds watched in
fright.

Then they hurried to the stable,
To see the Christ Child they were
able.

Oh! That star shone so bright
Then the Wise Men hurried in their
might.
To tell the world the sight they'd
seen,
For to see the Christ Child they had
been.

Intersection Flasher Is Jury Request

A flashing red light should be installed as a traffic safeguard at a main intersection in the Hastings County Road system north of Belleville, a coroner's jury recommended.

The improvement was suggested for the junction of the Ridge Road and the Madoc County Road at West Huntingdon, about 4 miles east of Stirling.

Loose gravel at the intersection should also be cleared up, the jury ruled as it returned a verdict of accidental death on four-month-old Kimberley Carrol, of Steenburg, killed when her parents' car was involved in a crash November 13th.

Four other persons were injured in the Saturday night accident at the intersection as a car driven by Alan Elliott, 39, of Ottawa, collided with the automobile of Delmar Carrol.

Madoc Junction

(Mrs. Clarence Fitchett)
(Too late for last week)

A pleasant evening was enjoyed recently at the home of Mrs. Frank Smith when Mrs. Ernest Wilson, of Holloway R.R. 1; Mrs. Vera Hannok, of Belleville, and Mr. Robert Stapley, Frankford, and the guest of honour, Mr. Murney Stapley, partook of a bountiful dinner. The occasion was Mr. Stapley's birthday.

Friends and neighbours in the community join in wishing Mr. Stapley many happy returns of the day.

Mrs. Clayton Prest has been spending some time at the home of her daughter, Mrs. Harvey Goodfellow, of Roslin, who had the misfortune to get quite badly scalded and was taken to Belleville Hospital.

Mr. and Mrs. Carl Bridges entertained relatives over the week-end.

Mr. and Mrs. Maurice Clancy attended the Rawdon Firemen's Party at Spring Brook last Friday night.

Mrs. H. Ashley spent a couple of days with Mr. and Mrs. A. Miller and family, Belleville.

Miss Sharon Reid, who is attending Business College in Peterborough, is home for the Christmas vacation.

Miss Isabelle Prest spent the week end at the home of her sister, Mrs. Harvey Goodfellow, Mr. Goodfellow and three children, Roslin.

Miss Audrey Stapley, who is attending Teachers' College, Peterborough,

is spending the Christmas holidays at her home here.

White Gift Service

On Sunday night a combined Church Service and Christmas White Gift Service was observed at Eggleton United Church. The Church had been previously adorned with bells, evergreens, electric lights and candles.

At the piano Mrs. Bruce Stapley played quiet music, and as each one arrived Billy Stapley handed out a printed programme of the White Gift Service.

The Sunday School Superintendent, Mr. Forde Stapley, presided. After the call to worship the choir of sixteen girls and boys of the Sunday School sang a carol.

The selected scripture readings were given by Bryan Kovach and Glen Stapley. The special Christmas story was read by Dianne Prest.

Wayne McMullen and Lloyd Clancy gathered the offering, which was dedicated with a prayer read by Keith McMullen.

The minister, Mr. A. Smith, delivered a Christmas message and spoke briefly on the meaning of the Christmas Candle in various countries.

After the benediction Mrs. Harlow on behalf of Eggleton U.C.W. and

Mrs. Clancy, on behalf of Eggleton Sunday School, presented Mr. Smith with a gift, for which he expressed thanks.

All then enjoyed the Church family Christmas supper.

Those Good Old Days

In 1852 a newspaper in a small town advertised for an apprentice printer. The advertisement stated that the applicant must have a good character — and be able to read and write.

Evidently, the advertiser in those good old days was more concerned about moral standards than he was about educational qualifications.

In Memoriam

ANDREWS — In cherished memory of my dearly loved husband, Russell, who was called "Home" very suddenly, January 1st, 1965.

God blessed me with a wonderful husband.

For you were one of the best; For life is not the same to me Since you were called to rest. I've learned with patient effort To hide the tears that start.

But cannot help the longing That lives within my heart. When days are dark and lonely And everything goes wrong,

I seem to hear you whisper Cheer up and carry on.

Each time I look at your picture You seem to smile and say, "Don't grieve I'm only sleeping, We'll meet in Heaven some day."

— Ever lovingly remembered and sadly missed by his wife, Lucella. 51-1p

ANDREWS — In loving memory of a dear Father and Grandfather, Russell Andrews, who passed away suddenly one year ago, January 1st, 1965.

He didn't have time to say farewell Nor we to say goodbye.

He was gone before we knew And only God knows why.

Please, God, forgive a silent tear, A silent wish that he was here, For in God's garden now at rest,

Peacefully sleeping, lies one of the best.

— Ever remembered by Doug, and Mae and grandchildren, Ronnie and Wayne. 51-1

ANDREWS — In loving memory of a dear Father and Grandfather, Russell Andrews, who passed away January 1st, 1965.

We miss your voice, your cheery smile,

And pray God to let you know That we down here do not forget, We love and miss you so.

And though God has called you away, You have not travelled far, Just entered God's eternal home,

And left the gates ajar.

— Lovingly remembered by Shirley, Ray, Cheryl and Billy. 51-1p

ANDREWS — In loving memory of a dear son-in-law, Russell Andrews, who passed away suddenly January 1st, 1965.

The golden gates stood open One year ago today

With farewells left unspoken You sadly slipped away

Within our hearts we'll always keep A special place for you

Sometimes it is hard to understand Why some things have to be In his wisdom God has planned

Beyond our power to see.

— Lovingly remembered by Florence Morrison and family. 51-1p

BROOKS — In loving memory of a dear husband and father, Ashley Brooks, who passed away December 28th, 1963.

The rolling stream of life rolls on But still the vacant chair

Recalls the love, the voice, the smile, Of the one who once sat there.

— Always remembered by wife and family. 51-1p

HARRINGTON — In loving memory of a dear husband and father, Arthur Harrington, who passed away January 1st, 1965.

Just a prayer from those who loved you,

Just a memory fond and true; In our hearts you will live forever, Because we thought the world of you.

— Lovingly remembered by wife Lillian, Ellen, Bill and family. 51-1

PERCIVAL — In loving memory of a dear wife and mother, Ellen Percival, who passed away December 27th, 1964.

In a quiet country graveyard Where the breezes gently blow Lies the one we loved so dearly That we lost one year ago.

She left behind some aching hearts That loved her most sincere We never have, we never will Forget you, Mother dear.

— Always remembered and sadly missed by husband Francis and family. 51-1p

PERCIVAL — In fond and loving memory of a beloved mother and grandmother, Ellen Percival, who died so suddenly December 27th, 1964.

A light is from our life gone A voice we loved is still A place is vacant in our home Which never can be filled.

It broke our hearts to lose you But you didn't go alone, For part of us went with you The day God called you home.

— Too dearly loved to be forgotten, daughter Alwyn and son-in-law Willard, granddaughter and husband Gayle and Morley Marshall and grandson Christopher. 51-1p

Content in her home and always there.

I treasure still, with love sincere, Beautiful memories for one so dear.

— Sadly missed and ever remembered by husband, George. 51-1p

PLATFORD — In loving memory of a dear daughter and granddaughter, Beverly, who passed away suddenly December 28th, 1964.

OF MANY THINGS

THE TECHNIQUE OF GETTING THINGS DONE

If you are a potential lazy-bones, as I am, you will be interested in this new book which devotes itself to solving the problem.

Donald A. Laird, a noted psychologist, thinks we all have a streak of laziness. He has spent a great part of his life studying techniques we can use to overcome it. I've been testing some of them. They help.

He starts from the premise that it isn't how much you know but what you get done that the world rewards and remembers. You decide what rewards you would like, and why you would wish to be remembered; then start to get things done which will lead to that end. Your biggest stumbling block will be weakness in getting things done. There are methods of beating that weakness.

You have a head start if your childhood wasn't too easy; if you had routine chores to do and took them

for granted. Getting things done is partly a matter of habit. You have learned to produce at least as much as you consume. In modern society you may be able to get by without doing your share, but you still cannot win the really big rewards.

If you want big rewards, you start today to get things done. Make a list of what you ought to get done tomorrow — and get part of it done this very day. Tackle the toughest one first. Get rid of that job that has been nagging you by tackling it and getting it done.

Are you disappointed? Did you expect some secret knack for beating your laziness? I read the book eagerly, hoping for some such secret. There wasn't any. You simply start doing essential things. You know that they have to be done sometime, so you start now. If you want to win those rewards, you go from the first one to the next one without a long breather in between.

Laird recommends that you read some biographies of the greats. You will then see why they became great. It wasn't luck. It often wasn't brains. Certainly it wasn't health, because many of the greats were feeble and wracked with pain most of their lives. They discovered that the only technique for getting things done was to do them.

Simple, isn't it?

What Others Say

THE PASSING OF AN ERA

(Stratford Beacon-Herald)

One kind of news story which has been cropping up in the newspapers frequently since the beginning of the year 1965, deals with the disposal of one-room rural school buildings, their furnishings, and sometimes the property on which they stand. It always seems a little sad, and to the people who received their education in a one-roomed rural school, there must be some wrenching of the emotions when the little school house is abandoned, torn down, or moved to become a chicken house or implement shed.

There is no doubt that something of value is being lost as the little, rural schools pass out of the picture. The one-room school, with a good teacher, gave children education of a quality that cannot be imitated by large central schools. The very fact that children of all ages from six to

16 were together in one classroom had its virtues, as well as its faults. When all the children of a neighbourhood, from Grade 1 to Grade 8, spent their school hours in the same room, there was, or could be, a natural family atmosphere in the school. The normal human family does not consist of 30 children all the same age; triplets are rare enough to be remarkable, quadruplets are rarer than that, and batches of 30 just don't happen at all. The one-room, rural school provided a setting which was much closer to being natural. There were big children and little children; there were stages of development apparent to everyone. The big ones bullied the little ones sometimes, as happens in any home, but they also helped the little ones sometimes, and learned useful lessons by so doing.

THE BIBLE TODAY

A combined deficit of more than \$6 million in 1966 is forecast for the 23 affiliated groups of the United Bible Societies, reports Religious News Service.

This figure has been projected by the UBS, which co-ordinates Bible production and distribution throughout the world, after studying 1964 budgets. It represents the anticipated gap between expenditure and income in 120 countries in which proceeds of Bible sales and local collections are insufficient to meet the cost of the work.

One of the heaviest charges falling on the Bible Societies is the cost of translation and revision of existing texts of the Bible. Nearly \$3-million a year is being spent in translation and in bringing existing Bibles into line with modern orthography.

"Today the stage is set for the decisive support of the churches in the drive towards raising the level of annual Scripture circulation, it being clear that behind statistics stand men and women, and not books alone," says Dr. Oliver Begun, General Secretary of the United Bible Societies.

School Concerts At Mount Pleasant

(By Mrs. Percy MacMullen)

Williams School

On Tuesday evening, December 21, eighty people gathered in the Williams Public School, S.S. No. 4, Rawdon, to enjoy the Christmas Concert given by the nineteen students, under the direction of the teacher, Mrs. Muriel Hoover. There were fifteen visitors in attendance from Rylstone, Glen Ross and Stirling. Included in this group were three people who were students at this school in 1912. There were also four generations of Baileys — Terry Bailey, his father Frank Bailey, grandfather Archie Bailey and great grandfather Frank Bailey.

A lighted tree and yuletide decorations gave a glow to the school room. Robert Merrick was chairman and welcomed the six families of newcomers to this section.

The pupils rendered two chorus selections with Linda Potts as piano accompanist. The audience sang two carols from the blackboards with Miss Sally McAdam as accompanist. Recitations were given by Ian Hubel and David Hearn. Piano solos were contributed by Miss Gail Hoover and Linda Potts.

The main feature was a pageant in two scenes entitled, "The Christmas Secret." There were two short plays

"Writing to Santa Claus" and Johnny's Christmas Presents." A dialogue entitled, "Hide and Seek" and selection in costume, "Ten Little Sleepyheads."

William McAdam voiced appreciative thanks to teacher and pupils for the programme and the opportunity to visit the school.

Mrs. Hoover spoke briefly after which Santa Claus arrived and distributed the gifts from the tree and a gift of confectionery for all the children in the audience.

Allan Public School Christmas Concert

On Wednesday evening, December 22nd, Mrs. Grace L. Morton, teacher, and the twenty-nine pupils of the Allan Public School, S.S. No. 3, Rawdon, staged their Christmas Concert in the school room. Special seating arrangement had been made and one hundred and twenty-five people were in attendance. This included visitors from Stirling, Wellman's and Minto. A lighted tree and yuletide decorations were in evidence.

Gordon Hoard, one of the older pupils of the school, was chairman and during the programme there were seven school choruses with three pupils having a turn as accompanist. They were Bonnie Williams, Janet Scott and Lorraine Jeffs. Recitations were given by seven children, Linda Hoard, Isabel Hoard, David Graff, Byron Hubble, Bill McArton, Randy Scott and Margaret Hoard.

Kenneth Couch contributed accordion music. The juniors sang two choruses with Jeannette Hoard as accompanist and they also gave a Christmas letter exercise.

A humorous dialogue, "The Village School of Long Ago" and a two-act play "Kidnapping Betty" were the main part of the two-hour programme.

The girls of the school rendered a chorus "The Shepherd's Song" and presented a good night drill. The accompanists were Janet Spencer and Bill McArton.

Donald Campbell gave banjo music with Maurice Bell as piano accompanist.

Rev. W. C. Cox voiced appreciation to teacher and pupils for their entertainment.

Santa Claus arrived and distributed the large array of gifts and the children also received bags of confectionery.

Despite the fact that this year there were two concerts in the schools rather than the combined concert in the Church Hall, there were over two hundred different people in attendance at the two concerts. For many years the two schools at Mount Pleasant have staged their Christmas concerts in the Hall, however, this year two concerts were held and both were a success.

Carmel UCW

The December meeting of Carmel United Church Women was held at the home of Mrs. Lorne Brooks on Thursday afternoon with an attendance of 25 members and visitors.

Mrs. Douglas Pyear, 1st Vice-President, opened with a poem and prayer. Mrs. Joe Grills and Mrs. Archie Bailey gave the devotional, the Christmas story from Luke and a poem.

During the business period Mrs. Archie Bailey reported that she and Mr. Bailey had delivered five hundred pounds of used clothing and produce to the Fred Victor Mission in Toronto and had received a letter of thanks.

Mrs. Andy Visser gave a vocal picture of Christmas customs in Holland. St. Nicholas comes to the children on December 5th and Christmas Day is observed as a holy day when families go to church twice.

Mrs. W. Steinhauer told how Christmas is celebrated by the Cree Indians in Alberta where she had spent three years at Saddle Lake when her father-in-law was the missionary in charge there.

Several carols were sung, led by Mrs. Harry Brown on her accordion. The election of officers was conducted by Mrs. Arthur Pyear and resulted as follows:

Past President, Mrs. Clayton Stapley; President, Mrs. Douglas Pyear; Vice-Presidents, Mrs. Ray Hagerman, Mrs. John Grills and Mrs. Archie Bailey; Secretaries, Mrs. Gerald Fraser and Mrs. Jack Armstrong; Treasurer, Ms. Vernon Harry.

The hostess served a dessert lunch and Mrs. Douglas Pyear expressed appreciation to Mrs. Brooks.

A number of bazaar articles were offered for sale and found a ready market.
